The 500, 50, 5 Program / Vision Casting

A significant part of leadership is casting vision. The Lord told the Old Testament prophet Habakkuk concerning his vision to, "write the vision and make it plain on tablets…" (Hab. 2:2).

With this in mind I want to cast a vision called the 500, 50, 5 Program. With the Lord's help I want to see the following things accomplished within five years in this great district.

Please help me pray that within the next 50 months we can see 500 new people attending our AM worship services. Currently we have about 4000 people in our churches on any given Sunday and the goal is that we would see that increase to 4500 within the next 50 months for the glory of God.

Also, may God help us to see EVERY church on this great district see at least 5 new people come to know Christ and be baptized in the faith annually. For many the number will be much greater than 5 but this is the minimum goal to have.

So, now you know what 500, 50, and 5 represents. May it be so, with God helping us.

A burden for the lost,

Dr. Mark

Our Mission Statement

Indiana South District of The Wesleyan Church has the assigned area of Administrative responsibility which covers forty-six counties. We Exist To Glorify God through the power of the Holy Spirit, and to boldly present Jesus Christ to all people. Through God's Word, fellowship, and prayer, we will endeavor to equip believers to become more like Christ. Through our love for Christ, we will work together to build the kingdom of God. We desire to be a district of:

H – elp
O – thers
P – repare
For
E – ternity

Our Administration Goals

Worship:

Encourage our churches to be New Testament churches, a body of believers who express Christ-centered worship in every aspect of our lives.

Fellowship:

We will serve by building a spirit of unity in our district family. Nurturing the fellowship through clear communication that leads to active participation and bearing one another's burdens through prayer.

Educational/Discipleship:

We will serve by equipping our pastors, ministers-in-training and local church leaders to carry out the ministry of the local churches in advancing the Kingdom of God and spreading scriptural holiness throughout our district.

Evangelism:

Challenge our churches to teach and train all believers to aggressively take the Gospel to all people through personal witness, community outreach and world mission opportunities. We will encourage our local churches to reach the UN-reached through planting new churches in areas with a growing population, going beyond racial and cultural barriers.

Servanthood:

We will look to the future by investing ourselves heavily in ministries to youth, children and families.

Personal:

To serve our district with integrity and faithfulness, being committed to excellence, having one purpose: to exalt the Lord Jesus Christ in our lives and ministry for the praise of His glory.

Spiritual Formation is a small group of any educational class meeting on a weeknight except on Sunday night including those meetings that take place away from the local church facilities as well. Church Growth attendance cards are to be sent to the District Office after the last service. However, if the District Office has not received the report card by deadline of reporting, they are authorized to contact any church or pastor who has failed to report the monthly attendance figures by card, telephone, or by e-mail.

   We recommend that recognition be given those churches that excel in their Morning Worship Attendance, as well as the Sunday School Hour.

   Each year at district conference four awards shall be given in the form of plaques as a memorial to Rev. R. G. Flexon, outstanding soul-winner in The Wesleyan Church. These shall be awarded to the churches having (1) the largest percentage gain in Sunday School, (2) the largest numerical gain in Sunday School, (3) the largest percentage gain in Morning Worship and (4) the largest numerical gain in Morning Worship. This does not include those received by transfer of letter (*The Discipline*, paragraph No. 568–570.) Award shall be given by the District Spiritual Formation Committee.

I. SUNDAY SCHOOL

1. Planning for growth is necessary to its realization, and the Indiana South District has the potential for reaching thousands for Christ and the gospel through its Sunday Schools in the year 2014-2015,

therefore: Be it resolved that minimum goals be established as follows:

at least 5.0% increase in District Sunday School enrollment

at least 5.0% increase in District Sunday School average attendance

And be it further resolved that these goals be applied numerically to each local Sunday School.

2. Evidence abounds in the Scriptures that God has instituted the family unit for His use, and there are destructive forces at work today against the family and the home, and the General Department of Spiritual Formation has launched an intensified program of Christian Family Ministries, therefore, the District Spiritual Formation Committee shall be assigned the responsibility in accordance with *The Discipline* provision.

   The District Spiritual Formation Secretary shall direct the program for the District Spiritual Formation Committee in harmony with the plan of the General Department of Spiritual Formation.

3. The early communication of a program, the theme, and its dates are vital to the broadest participating of our local churches, therefore, be it resolved that the following Sunday School Events Calendar be adopted for the conference year, and that these dates become a part of the District Events Calendar for the year:

   Spring Sunday School Campaign - Easter Sunday to Mother's Day Sunday

   Senior Adult Ministries

   The last Sunday of April shall be Church Membership Day

   April is Layperson of the Year month

   Vacation Bible School - June, July or August

   Children's Day - second Sunday in June

   Annual Pastor's Christmas Dinner - first Friday of December

4. Monthly Church Growth reports to the District Office shall be based on the actual attendance of all Sundays in the month. Sunday School attendance report is to be sent on monthly Church Growth report cards or via email. Those who do not report their monthly attendance will be listed in the district paper by church name and pastor.

5. The standard for average attendance for Sunday School, A.M. Worship, P.M. and Spiritual Formation shall be based on 48 Sundays per year. Be it further resolved that the DBA hereby emphasizes its ministries, encourages aggressive outreach for increased attendance cultivation, and discourages statistical abuses, which subvert the instructional purposes for which these services exist and has been historically used of God.

J. ZONE ORGANIZATION

1. The District shall be divided into eleven zones. Each zone shall have a Zone Chairman, Secretary, Treasurer, WW Zone Chairman, and SAM Zone Chairman. The zone officers shall be elected at the last zone meeting of the conference year, except the WW zone chairman and officers who hold their own elections.

   Voting privileges shall be granted on the same basis as the district conference, namely those ordained ministers and lay delegates eligible to vote in district conference, utilizing those persons elected as lay delegates by their local church conference, or their alternates, or alternates approved by the local church Board of Administration.

2. Upon the death of a District Minister or spouse, the District Secretary shall be notified at once, who shall notify all Zone Chairmen, who in turn shall notify all Pastors and Evangelists including retired ministers within their zone within reasonable distance, by telephone.

All churches that are delinquent will be sent a notice by March 1st of the amount of the delinquency prior to notice to meet the USF Board. The base income to figure the 11.5% amount on will follow the guidelines of *The Discipline* as found in Paragraph 2005: item (1), which reads:

   BASE INCOME. The base income shall be the total income of a local church and all of its departments for the previous fiscal year less money received:

   (a) By loans (borrowed money).

A certificate of recognition shall be given to each pastor and local church, and that an asterisk be placed by the name of the minister and church paying 100% of the United Stewardship Fund in the "Church Pastor Directory" in the *District Journal*, and that the amount of the United Stewardship be figured by the District Treasurer and his committee for each church from the past year's reports, and that the monthly assessment be printed in the *Conference Journal* for the coming year.

Within 30 days following conference, each pastor is to present to his church, from a positive perspective, the necessity of paying 100% of its budget for the year. The pastor and/or church shall be responsible to send notification to the District office of said meeting and their response within forty-five days following conference. That response will be taken under advisement by the DBA.

3. All funds received from the sale of church property shall be deposited into the District Church Extension Fund. This money is to be used in pioneering new churches in the District.

4. There shall be a District Finance Committee, consisting of six members, which shall be elected from nominations submitted by the nominating committee. The membership shall be composed of two ministers and three laymen along with the district treasurer as an ex officio member. 2. A long range Planning Committee has been established for the development of the 118 acres west of our Camp Ground.

M. CONFERENCE JOURNAL

1. All resolutions approved by the action of the Conference are to be edited by the *Conference Journal* Committee.

2. Only pertinent items from the church statistical, Sunday School statistical, church treasurer, youth, and missionary reports in tabulated form in the *Conference Journal* are to be printed. The duty is to be assigned to the Editing Committee of the *Conference Journal*.

   Inasmuch as the *Conference Journal* has grown to be a sizable publication, we therefore recommend that the youth convention, WW Convention and the District Conference, use all means to eliminate all unnecessary items, duplications, and repetitions, placed in the *Conference Journal.*

N. EDUCATION AND SCHOLARSHIPS

1. The Indiana South District shall provide scholarships at an approved Wesleyan College or Seminary. "Said scholarships shall be made available first to students preparing for Christian Ministries and then other disciplines at the discretion of the District Education Committee and approved by the District Board of Administration."

   "The student should give consideration to Christian service in the Indiana South District following graduation." The amount of the scholarship shall be determined by the District Education Committee under the direction of the District Board of Administration if funds are available.

   Guidelines for Scholarship to Wesleyan College or approved Seminary or other schools will be considered as well, with our Wesleyan schools getting first consideration:

   a. Those that have a call to ministry will be considered first for scholarship, and if remaining funds are available, students could receive scholarship for non-ministerial studies.

   5. Must fill out an application for grant assistance and submit to the District Superintendent.

2. Whereas there is a growing need for the young people of The Wesleyan Church to pursue educational training beyond the secondary level, and whereas there is much in the state and secular colleges and universities that is detrimental to the religious and spiritual welfare of the youth of today, be it resolved that the Indiana South District give a stronger support in every way to the Wesleyan Institutions of Higher Learning and invite annually the representatives from Indiana Wesleyan University or other approved Wesleyan Schools.

3. In order to help our ministers of the district who are engaged in the Correspondence Course of Study, we recommend that we have a week each year to encourage them to study for ordination.

   The pastors engaged in the Home Study Course shall be given a paid leave of absence in order to attend the clergy development and their tuition shall be paid by their church if the funds are available.

   Details of administering the seminar are to be worked out by the Indiana South District Clergy Development Committee.

O. PASTORAL AND MINISTERIAL

1. Our District shall have a two-day Ministerial Convention, the same to be held on the second Monday and Tuesday of March. Location of the Ministerial Convention shall periodically be voted on by the ministers attending the Convention.

2. Inasmuch as we have an established Pastor's Emergency Fund, it will be distributed as funds are available.

3. When there is a pastoral change, the pastor under appointment by the District Conference shall take charge the second Sunday in July.

P. LOCAL CHURCH

1. Houses of worship should not be open to any evangelist or minister of any other denomination to hold a series of meetings or to maintain regular appointments for another congregation; provided, however, the usual denominational courtesies be extended to other ministers

in occasional appointments. A waiver of the above by a contract or lease of building must be obtained through the District Board of Administration.

2. We recommend that pastors or church secretaries of deceased members of our District Conference send to the Memoirs Committee a copy of the obituary of the deceased and any other information available.

3. Share and Care Pastoral Fund Policy

   a. After the District Superintendent becomes aware of someone needing help, he can issue the money from the Share and Care Pastoral Fund.

   b. This money will be given as a gift (not to be paid back unless the pastor chooses to do so) based on the Apostle Paul's philosophy found in Galatians 6:2 that says, "Bear one another's burdens, and so fulfill the law of Christ."

   c. This money is meant to help a pastor that may experience a financial crisis because of such items as an unexpected medical need, car repair, or various other issues that may develop.

   d. One thousand dollars will be set aside by the district treasurer annually from USF Funds to help appointed pastors if a financial crisis arises. Churches are encouraged to contribute to this fund as well.

   e. A maximum of $300.00 per year can be used per person or more if approved by the Executive Committee.

4. Be it resolved that the time of closing of the Local and District business of the Church be April 30th of each year.

5. We recommend that the time of voting of each local church on the pastor be taken during the first full week of April. The vote is to be taken by the District Superintendent or his representative. Election results are to be posted at the local church and mailed to the District Superintendent's office.

6. Recommendations Concerning Pastoral Support

   a. All churches should, in addition to the regular stipulated salary, assume the responsibility of providing a housing allowance or a suitable home in which the pastor may live including the payment of the following utilities: fuel, electricity, water, water conditioning, sewage and pastor's phone.

      They should also pay the pastor's medical, surgical and hospitalization insurance premium Because of new government regulations as of January 1, 2014, churches will need to either eliminate employer payment plans for pastors and/or staff or modify such arrangements to reimburse employees for health coverage on an after-tax basis.

Each church in Indiana South District shall establish a medical fund of $125.00 per month minimum to help pay for medical expenses not covered by insurance of any other funds. This money shall be placed in a separate account for the pastor and their family, and shall be paid in addition to insurance premiums paid by the church.

b. It is suggested that all benefits paid for the pastor be made to the vendor.

c. All churches to which a pastor shall move shall pay the moving and transportation expenses of said pastor, the same to be done in addition to their salary. When the District demands the services of anyone, it shall bear the moving expense, if any expense shall be incurred.

d. Each pastor shall be granted at least one week vacation with pay during the first year of service. Each pastor shall be granted a three week vacation with pay, and the pastor's salary shall be continued during Camp Meeting and while busy with other District duties. After 15 years of service to The Wesleyan Church one additional day of vacation shall be added for each year of service over 15 years up to a total of 5 weeks of vacation. It is further understood that the cost of pulpit supply, while the pastor is on vacation, shall be borne by the local church. The extra vacation time will be at the discretion and direction of the Local Church Board.

e. When local churches host a minister for the purpose of an interview, to meet them or hear them speak with the idea of a possible call to pastor, the local church shall be responsible for normal expenses incurred by the minister.

f. We recommend that each pastor be allowed the equivalent of two revivals per year with pay, provided approval is given by the local church.

g. We recommend that the pastor's salary be at least $450.00 per week, with the normal fringe benefits, for a full time pastorate.

h. In as much as *The Discipline* and by laws of the Wesleyan Church states that each church will pay 12% of the pastor's salary, utilities, and the fair rental value of parsonage into the pension plan. None of which will be deducted from the pastor's salary.

i. It is considered the norm for the local pastor family to provide board and room for the evangelist and/or special workers during revival and/or special services in the local church, and whereas such expense is part of the cost of having revivals and special services, be it resolved that we recommend that the pastoral family be reimbursed for the extra cost of feeding the Evangelists; the amount of which to be agreed on by the local board and the Pastor. In the event the Evangelist provides his own housing or com-

mutes to the meeting, an amount paid to the Evangelist or the Pastor shall be agreed upon by the Pastor and the Local Board.

j. Since ministers are required to participate in Social Security, we recommend that the churches that are financially able to give special attention to this added expense of their pastor.

k. Inasmuch as many of our ministers have been unable to attend the annual Ministerial Meeting because of lack of finances, we recommend that each local church pay their pastor at least $250.00 expense for Ministerial Meeting, plus pay the banquet registration fee.

l. We recommend that each local church pay their pastor's spouse at least $150.00 to attend a retreat or conference of their choice.

m. We recommend that local churches consider an annual pastoral raise of at least 5%.

n. We recommend that the Pastor Appreciation Day be during the month of October, as it is nationwide.

o. A pastor's widow shall receive 60 days salary, and parsonage use, from the church, in the event of the death of the pastor.

p. Each church must give Pastor and Employees a W 2 and Sub- contractors a 1099 form for proof of income tax who receive $600.00 or more after declared expenses.

q. When the church owns the parsonage, the pastor should pay Social Security Tax on the utilities that the church pays for the parsonage and the estimated rental value of the parsonage. The pastor is responsible for determining the fair rental value of the parsonage in keeping with I.R.S. regulations.

7. The Vice Chairman of the local church shall be responsible for bringing to the attention of the local church board various items approved by the District Conference dealing with pastoral support and other related matters sent him through the District Superintendent. Such correspondence shall be forwarded to the Vice Chairman as soon after the rise of the District Conference as possible.

8. Recommendations Concerning Revivals and Evangelist's Honorarium

a. Since the need of revival is great in our day we encourage the churches to have at least two revivals a year. We recommend our churches take special care to adequately pay the evangelists' expenses, plus an honorarium.

b. We recommend that the local church pay an amount equal to 12% of the Evangelist's offering if he is a Wesleyan Ordained Minister and a member of the Wesleyan Pension Plan. Pension payment should not be deducted from the evangelist's offering.

c. Any Evangelist or Special Worker who receives $600.00 or more after declared expenses must be given a 1099 Form from the church treasurer for tax purposes.

9. Local churches are to request permission and obtain approval of the District Superintendent for employment of an evangelist or workers of another denomination for revivals or other meetings. (*The Discipline* 1310: 21)

10. Since there is a need to properly formulate plans for proper location and construction of our churches and parsonages throughout the district:

    Be it resolved, that before construction of church buildings and parsonages, that plans and specifications be approved by a three man Building Committee to be appointed by the District Board of Administration; the same to be listed in the Minutes under Boards and Committees.

11. Where possible each local church shall conduct a summer Vacation Bible School.

12. Local churches are to make every effort to establish local Wesleyan Kids Clubs.

13. The addresses of churches and parsonages shall appear in our *Conference Journal*. We further recommend that the name and phone number of the pastor and church be listed in the phone book. (Missionary and youth presidents may be carried in those respective sections of the *Conference Journal*.)

T. ADMONITORY ADVICES

1. The following resolutions are admonitory expressing views about holy conduct and Godly living amongst we Wesleyans in the Indiana South District.
   a. In keeping with 1 Timothy 2:9 & 10, I Peter 3:3, and *The Wesleyan Discipline* (410:13), we recommend that our people dress with carefulness and modesty and in such a manner that brings glory to God. We recommend the avoidance of any apparel for adornment that could be a stumbling block for others and hinder our witness for Christ.

      The Discipline (410:13) states, "The Wesleyan Church believes that our people should provide clear testimony to Christian purity and modesty by properly clothing the body and by dressing with Christian simplicity."

   b. Inasmuch as television is fast becoming a daily habit and an open door for infiltration of all kinds of vice, crime, and corruption into the sanctity of the home in an ever increasing number of homes in America; Therefore, we as a District go on record as being strongly opposed to the misuse of television.

c. Inasmuch as the Internet has become such an invaluable resource for important information but also such a potential for indescribable filth, we desire to strongly encourage our people, both ministers and laity alike, to exercise caution in how they use this volatile tool. This warning pertains both to the sites visited and to the amount of time spent on the Internet.

d. Whereas in order to be informed of current cultural trends, we recommend the following websites to enable us to know of any anti-family activity: www.afm.com and www.wesleyan.org, and www.focusonthefamily.com.

SECRETARY'S RECORD OF THE MINUTES
Tuesday June 2, 2015

The forty-eighth District Conference convened Tuesday June 02, 2015, 8:30 A.M. in the Indiana South District Campground Tabernacle, Orleans, Indiana.

Dr. Mark Eckart, District Superintendent, gave a special welcome to General Superintendent Dr. Jo Anne Lyon and all the delegates to District Conference. Dr. Eckart informed the Conference that this would be the last year Dr. Lyon would preside over our Conference. She will be retiring as our General Superintendent at the 2016 General Conference. Dr. Eckart presented her with roses and a hand crafted glass candy dish and thanked her for her dedication.

Rev. Gordon Tilley was called to the platform to lead in prayer.

Dr. Mark Eckart introduced General Superintendent Dr. Jo Anne Lyon to the Conference.

Dr. Lyon gave the Denominational Address. She shared with us how "God has been transforming lives and making us new" across our district, North America and the world. This past year there has been 36,845 baptisms, 516,203 worshippers, 422,215 members taken in, and 45 new church plants in North America alone. Through the "Jesus Film" this year, we have seen 172,707 additional responses for Jesus Christ. Dr. Lyon closed with these words; 'God has no grandchildren only children, we do not inherit our faith'. God is still calling us to reach the lost with the good news. Dr. Lyon then led us in a song titled, "Love Divine" written by Charles Wesley.

REPORT #1
Report of District Superintendent

Report of District Superintendent

General Superintendent, Dr. Jo Anne Lyon, delegates to this forty-eighth Annual District Conference and guests; it is an honor and pleasure to report to you today.

Praise

This is the twelfth time I have had the privilege to report to the Indiana South Wesleyan District Conference. I thank God for the opportunity to be in His service and be able to serve you, as well.

Certainly, this is too big of a task for one person to do. It is true as one said, "to fulfill your dream you must have the right team in place." I am most grateful for God's leadership, my loving and supportive helpmate Debbie, and my daughters that help with various jobs on the campgrounds and in my office.

Dr. Lyon has been great to work with this last fiscal year. She has offered sound advice and has been very helpful in giving input when I have contacted her concerning various issues. Her positive reinforcement throughout the year has been much appreciated. I thank her for not only helping to bring focus to our district, but to the church in general by focusing on conversions, baptisms, and AM attendance.

The Lord has blessed us with a very capable Assistant District Superintendent. Rev. Charles Stroud has worked diligently and has been a real asset to me and the ongoing ministry of this district. Likewise, Rev. Glenn D. Black, serving as the Executive Representative, has been helpful in many assignments as well. The Executive Committee: Rev. Charles Stroud, Rev. Mike Stoelting, Rev. Phil Kessen, and Rev. Glenn Black have done a great job working with me to see the Kingdom advanced. In fact, the whole D.B.A. have been partners in ministry and worked diligently for the district. Thank you!

I would like to also show my appreciation to the following people for working so hard in their respective jobs during this last fiscal year:

*Mrs. Cindy Caniff as the Administrative Assistant

*Rev. Richard Comer as caretaker and all the other camp volunteers as well.

*District Director of Evangelism and Church Growth, Rev. Doug Preston; District Global Partners Director, Rev. Aaron & Lanee' Marshall; District Educational Director, Rev. Teri Jones; Director of Elementary & Secondary Education, Rev. D. Edson Ames; District Director of Senior Adult Ministries, Rev. J. Philo Jones; Senior Adult Ministries Tour Director, Mrs. Sharla Somers; District Insurance Director, Rev. Charles Stroud; District Director of Kid's Bible Retreat, Rev. Michael Linville; District Youth President, Rev. Joseph Gormong; and District Memoirs Chairman, Mr. Don Simpson.

First Things First

In church work, the most important thing we can do is to keep our relationship with God in good order as well as our relationship with our fellow men. It is intriguing to me that Apostle Paul put prayer first when in 1 Timothy 2:1 he wrote, "*Therefore I exhort first of all that supplications, prayers, intercessions, and giving of thanks be made for all men...*"

That phrase "first of all" really deserves our attention. I believe if we pray and seek God with our whole heart, it will touch the heart of God and He will bring about good in our lives and ministry.

Jesus said it another way when He admonished, "*But seek first the kingdom of God and His righteousness, and all these things shall be added to you.*" There is that word again "first". As a district if we could just put God first! What I need most (and you probably do as well) is a fresh renewing of the Holy Spirit in our lives and ministry. May God help us to be renewed in our spirit, renewed in our relationship, and be reaching out to the lost in our churches and communities!

This year I, again, prayed through the District Journal focusing on pastors and lay people. This is one way for me to keep first things first. Also, I would invite all of you pastors and lay people alike to join Deb and me as we regularly fast (miss as many meals as you feel led to) on Fridays on behalf of the district and the churches.

During Lent this year I started a new practice I called a Trinity fast. This is where I would miss three consecutive meals focusing on each person of the Godhead as well as fasting for at least three persons or churches that God laid upon my heart to hold up in prayer.

Churches

Crossroads Community Wesleyan Church (Holton-Versailles)

Most of us remember a few years ago that a tornado went through the Holton area and did major damage to the town and our church. In fact, people were killed that day and it destroyed the Wesleyan Church in that town so it was no longer possible to be used.

Through the providence of God our church at Holton has merged with our church family at Versailles. After they voted to merge the next project was to find some property where they could build their new church. God has provided for this need in a wonderful way.

Right on State Route 50 nearly right between the two towns of what is now called Crossroads Community Wesleyan Church has purchased 20 acres of prime land to build their new facility. There is a house they can use as a parsonage, a nice barn and garage, plenty of space to put their new church, and they can still cash rent about 12 acres to help them financially.

One of the best things is that this church will be right on the state road where thousands of cars will see it on a weekly basis. It has great access on a side road for an entrance for safety as well. This acquisition was certainly a God thing! The Lord willing I will be able to report next year that they have their new church built. Pastor Johnnie and Linda Blair have done an outstanding job of merging these two congregations. Please continue to pray for them as they give leadership to building this new church.

Update: the Lord was willing and just a couple of weeks ago Deb and I drove to between Holton and Versailles and dedicated a brand new church. God has blessed this congregation with a lovely facility and plenty of room to expand. Their long term plans are to build a fellowship building and also more rooms for Sunday School and or small groups. The great news is the church only owes under $50,000.00 on this new facility. To God be the glory!

Evansville CrossPointe Trinity

This year we have had a 60 year prayer answered! For decades what was then called Evansville Trinity has been endeavoring to sell their church to the State of Indiana. For the last eight years pastor Duane Allison has worked tirelessly trying to see this transaction take place.

The state finally got serious about purchasing the property a couple of years ago but only wanted to give our church $315,000.00. The experts in the field told us this was not near what the value of the property was in that part of the city. So, Pastor Duane and the church leadership got some professionals in that line of work to assist and praise be to God they settled recently for $960,000.00!

They have recently purchased 13 beautiful acres in Evansville whereby they can build their new church. The Lord willing in the next year or two I will be able to report their new facility is built. Pastor Duane and his people need your prayers as well as they embark on this new journey of faith.

Update: This church has now got their plans approved and their loan from W.I.F. and they have started the building process. It has been amazing to see how God has guided this process under the leadership of Pastor Allison. God willing they plan to dedicate their new church in the fall of 2015. They also have plenty of room for expansion in the future and are already planning how they can be involved directly in the community by the buildings they construct.

Carthage Community Church & Faith Pointe Community

This year we have gained a new affiliate member church in Carthage, IN. We were contacted by Rev. Roger Campbell that his church maybe interested in joining our district. Then after a series of meetings with my good assistant Rev. Charles Stroud (a personal friend of Pastor Campbell) they

joined our district. We welcome this congregation of about 80 people and desire to work with them to advance HIS kingdom!

While we rejoice at the Carthage Community Church joining us, our church at Dale, IN Faith Pointe closed recently. Even though they at one point had several coming and at one point had nearly $30,000.00 saved, they were not able to make it long term.

Programs

New Camp Development

We were talking last year about putting in new cabins and a shower house. Our good friends the Eritreans gave us a $205,000.00 this fiscal year to do this improvement for which we are most grateful. However, after we got to figuring we soon realized that we were going to need more money to finish the project of putting in 14 customized cabins that will sleep 12 people per cabin and a new shower house to accommodate this growth.

The DBA was in the process of borrowing an additional $150,000.00 to finish the project when God worked a miracle for us. Through the Lord's leadership I got to know a person that I asked for a donation and after much prayer and fasting they sent us a check for $150,000.00! It was exactly what we needed when we needed it. As author Mark Batterson says in his book this was J.E.J.I.T. This stands for, "Just enough just in time."

Having this money will allow us to: 1. Completely renovate the dining hall with new floor, ceiling, paint, furnaces, and table and chairs. 2. Put in the new cabins mentioned above. 3. Put up a 40 x 50 foot shower house that will have nine showers each for women and men. The best part is we will owe no debt!

We were also blessed by receiving $35,000.00 from many of you across this district to pay for the 168 mattresses we needed for the new cabins. It was exciting when they were delivered a few days ago to be able to pay for them in total when they were delivered. Thanks to many of you was this possible.

So, we still have bills but thank God we are going to be able to do these much needed improvements with no debt!

Care & Share Program

Deb and I also hosted Share and Care dinners again this year across the district. We had 25-30 pastors and spouses that came out to most gatherings. An outside donor provided the finances where the meals were free and each person got a gift. We had a great time enjoying the meal, fellowship, and prayer time.

This year we also started some Care & Share groups for pastors that need additional support. This consists of a three member committee that

meets with the pastor & spouse for a time of encouragement and enrichment. The committee meets once a month or so for a six month time span.

There has also been a Care & Share Fund established that as a DS I can help a pastor with a modest financial gift if a crisis arises. The treasurer works with me on this for accountability purposes.

Gold Star Church

Last year I developed a program whereby our churches can answer 40 questions to see which category they fall in based on a metric from one to five gold stars. There are eight categories with five questions each focused on the acronym B.U.I.L.D.I.N.G. B-uilding, U-nity, I-ntercession, L-ove, D-isplay, I-nvite, N-eeds, and G-roups. If they come in at five gold stars it is time to celebrate but if they match a lesser gold star it will point them to some areas whereby they can work on to pursue excellence in ministry. The goal is for each of our churches to work through this material to see their strengths and also work on being more effective for Christ.

This fiscal year myself and four other Gold Star coaches took nearly 50 or our churches through this program with positive results. Because of this program we have had churches start new small groups, make room for prayer rooms in the churches, build new church signs, start church websites, contact local media to advertise church events, and make a more concerted effort to welcome guests to churches.

Evangelism and Church Growth

Thanks to Pastor Doug Preston for helping to lead this area of ministry again this year. Among other things, we had church growth consultant and expert Dr. Bob Whitesel from Wesley Seminary come twice to share with us about how to be effective ministers in the 21st century context. He was a blessing as he shared the latest research in this field of study.

The E&CG Board also made some visits to some of our churches for a Care and Share visit. On these trips we meet with the pastor and at times church leaders to evaluate the local church and the ministry setting. We affirm what is going well and then share ideas that will enhance the church's effectiveness. We also share in fellowship by taking the pastor (and spouse when possible) to lunch.

This year we also did something different by selecting a church to spend 18 months with in a consulting role. After much prayer and thought Rev. James Hughes (Greenwood Wesleyan) was selected to be coached, challenged, and encouraged by Phil Bogear who has had experience in church planting and revitalization.

Also, we are looking at doing a restart at Ohio St Wesleyan since some of that congregation has recently left to attend another Wesleyan church in that vicinity.

Even though there is always more work to do, we have a lot to praise God for this year. We had an increase in Easter attendance for a total of 7,224. We averaged 4,260 for AM worship which was an increase of 102 over last year. Even though we averaged 2,206 for Sunday School we were down some, as well as less in conversions. However, we did have an increase in covenant membership by taking in 41 new members for a district total of 3,311 and in community membership for 19 for a total of 301. We had a total of 183 people getting baptized. We also had an increase of three people being called to ministry/ missions for a total of twenty one. Let us pray, fast and work to seek God in helping us improve in all of these areas this coming year.

Minister and Lay Person of the Year Awards

Once again, this year, later today, we will be giving a worthy pastor and their spouse a very nice gift. The idea was to give a pastor **$500.00** to take a weekend away for rest and relaxation. Special thanks go to Dr. & Mrs. O.W. Willis and Rev. & Mrs. Charles Stroud for joining Deb and I for providing this money.

Churches and pastors were also invited to send in a name from your church of a worthy layperson to be honored on this day. A committee has selected that name and they will be recognized later today. In fact, my office designated April to be Lay Appreciation Month across the district much like October is Pastor Appreciation Month.

Missions / Philippines – Jesus Film Completed

A couple of months ago my son Joshua and I made a trip to the Philippines to see firsthand what our investment of $40,000.00 went for when we sent money to that country to support the Jesus Film efforts. Believe me when I say it was money well spent. There are 42,000 people that attend 656 churches.

When we got there we hit the ground running! We traveled about 1300 miles in nine days visiting 14 different preaching sights, four provinces, Rosales Bible College & the General Headquarters in Manila. We heard story after story at how the Jesus film had been shown and then as a result a church had started. One of the places that impacted me the most was what was called The Wesleyan Church Trash Project. I wrote an article about this called, "Finding two works of grace at the dump."

This district has a real heart for missions and helping others. Last year we gave $210,703.00 to Global Partners and other Wesleyan missions offerings. This is outstanding for a district of our size. The Terre Haute Faith Church (Pastor Ray Austin, the senior pastor) along with several other churches gives sacrificially towards world evangelism. May God bless every dollar given to advance HIS kingdom.

I want to challenge you again in the area of missions. The DBA has approved a plan I submitted where we would as a district with God's help raise $80,000.00 in the next four years. This money would go to build a church in the Philippines that needs a building (as a result of the Jesus Film) and also build a school and ten churches in Haiti.

A church can be built in Haiti for $5,000.00. Will you join with me on this God honoring journey of caring for the hopeless and hurting?

United Stewardship Fund

I am proud of and thankful for the 58 churches that paid full budget this year. You are to be commended for your faithfulness to God and the district for keeping this commitment. As always, we want to keep as much money as we can in the local church.

However, it is so important for each church to pay their part of the U.S.F. We are a team here in Indiana South, and each one must do their part for us to stay current in our obligations. We were down some in USF Collections this year in that we collected 85%. We need to collect at least 90% for us as a district to stay up to par financially. Please help us pray and work to see this happen.

Here are the 58 churches that paid 100% of their U.S.F. They are to be commended!

Ministerial Training

God has blessed us by allowing us to continue to train ministers here in our district. This takes place during the two-day seminars we offer and in the Clergy Development we give during the first week of May. This year we have trained approximately 45 different students through this outreach. This assists the ministers to get their classes finished so they can get licensed and ordained. A special thanks to Rev. Bob England, Rev. Charles Stroud and Rev. Joey Nelson for helping to make this academic ministry a success. We also praise the Lord that a financial gift was given to help support this ministry. Because of gifts like this, we are able to offer classes without it coming out of the U.S.F. Funds.

Goals

Here are some goals we are currently working on or plan to do so:

*To encourage all pastors, lay people, and churches to continue to seek God for
a spirit of renewal and revival across this district

*To continually seek ways that we can get better advance the Kingdom of Christ through the Indiana South District of The Wesleyan Church

*To have every church pay full U.S.F. as soon as possible

*To continue to study how we can be involved in Global Partners through Haiti
and other places as well

*To see the Gold ☆ Church Program implemented in our churches

*To continue to evaluate our district with the thought in mind of planting new Churches, including Hispanic, and reenergizing some we have now

*To see an increase in conversions, baptisms, and AM Attendance

*To have every church faithfully send in their monthly Sunday School reports in a timely fashion as well as year end reporting

*To see the H.O.P.E. program grow and gain contributions to benefit pastors and preachers

*Strive to see all churches grow in number but most of all spiritually. It is true that church health is as important as church growth. In fact, if our churches are healthy they should grow numerically!

Recently we have been promoting our Mission Statement here in Indiana South. It is that we would be a district of H.O.P.E.

H – Help
O – Others
P – Prepare
For
E – Eternity

If we do this effectively, then we will have been successful. May God help us do just that.

In all of our work as a district, and on the local level as well, we should keep in mind the verse I have at the end of my stationary. It says, "Unless the Lord builds the house, they labor in vain who build it . . ." Psalm 127:1

Respectfully Submitted,
HIS servant and your friend,
Mark S. F. Eckart

REPORT #7
District Director of Evangelism and Church Growth Report

To the forty-eighth Annual Conference of Indiana South District of The Wesleyan Church:

One of our main goals in 2014-2015 was to continue providing intentional encouragement for our churches.

The E&CG board met four times throughout the year. At these meetings, we prayed over our churches and implemented programs to help assist and build up our Pastors and lay leaders.

One of the tools used was Dr. Mark's Gold Star Church program. It was helpful for gathering information on how we could best help the churches in the District.

A Health and Growth Seminar was held at Paoli Wesleyan Church on May 16th. Bob Whitesel, founding professor of Wesley Seminary and current Professor of Missional Leadership at IWU, was our guest speaker.

Through these and other efforts, we believe we are heading in the right direction in accomplishing our goal as the E&CG board.

As an active E&CG board, we continue to strive to build-up and encourage the BODY OF CHRIST. May God help us in this endeavor.

It has been an honor to serve as the E&CG chair for another year.

Respectfully Submitted,
Pastor Doug Preston
District Director of E&CG

REPORT # 8
District Educational Director

To the forty-eighth Annual District Conference of Indiana South District of the Wesleyan Church:

As District Director of Education, I believe the goal should be to encourage our district to pursue a strong education at all levels. Never settle for mediocrity in your child's or your own education. Always strive for more and better learning opportunities.

Homeschooling has become a very popular option for parents seeking to guide children in a Christ centered curriculum/environment. There are many families on our district who homeschool (we are one of those families). There are a great number of outstanding curriculums available, as well as co-ops, activities, support groups and homeschool conventions that offer a wide range of options for parents wanting to educate their children at home. Home-schoolers participate in sports, music and other extracurricular activities. The fear of social isolation has been replaced with a well- rounded option of activities.

Christian schools, public schools and now the growing trend of on-line schools are all options for children's education these days. Whatever your

choice for your family, I highly recommend that you be an active and informed parent and an advocate for your children. Don't let the system contradict your beliefs without saying something. Don't settle for less than what God has for your family. Don't miss an opportunity to stand up for what is right.

On the higher education level, we have our own Wesleyan University here in Indiana. Indiana Wesleyan University in Marion is a traditional holiness school that is financial aid friendly for our Wesleyan students. While the cost of higher education has soared and can seem impossible to consider, IWU continues to offer an average of $5,000 more in financial aid to qualified Wesleyan students. Pastors' children receive a 50% tuition waiver. The John Wesley Scholarship has a $3 million fund that grants money to Wesleyan students only. A student attending a Wesleyan church will receive an automatic $1,000 from this fund with more available to qualified students. Academic scholarships ranging from $2,000-$12,000 are available. Athletic and music scholarships are also available. Campus Challenge money can be earned in scholarships starting in junior high for students with a talent who compete for these funds. Wesleyan Bible Bowl winners can receive a 50% tuition waiver for their efforts as well.

The Church Matching Scholarship is a great way to help students from your church. Donations made to this scholarship are tax credit options in Indiana and a student can receive up to $1,500 from a church that will be matched by the University for a $3,000 total. This money is in addition to other aid given. These options along with other state financial aid can make IWU affordable to most families. (A strong education with a Christian emphasis is worth the effort.)

I would encourage all pastors to take a trip to the IWU campus and check things out. Invite some students along to get an impression of the campus, facilities, student body, professors and staff. There are many special visitation days that you can be a part of. Those events and other info is on their website.

The Admissions Counselor for Indiana South is Heather Whaley. She can be reached at the admissions office #765-674-6901.

Not being real sure what the job description is for this position, I reported on the educational areas that I personally have knowledge of. My primary goal as director is to remind you all (young and old alike) to keep learning. God has blessed us with so much to learn about in this world.

Respectfully Submitted,
Rev. Teri Jones
District Educational Director

REPORT #9
District Director of Elementary & Secondary Education Report

To the forty-eighth Annual District Conference of Indiana South District of the Wesleyan Church:

The Psalmist declared in Psalm 127:3, "Lo, children are a heritage of the Lord: and the fruit of the womb is his reward." Without question, almost anyone who has children would agree that children bring light to a dark, dismal, and depressing world.

While children bring us joy and laughter there is something that is not a laughing matter. Our children, homes and families are in the fight of their lives. Over the past several years, our enemy has spared no expense in attacking the sacred institution of the home. The truth of the matter is that hell is not just raging against the White house; but, it's raging against your house, and my house; and, we've got to fight on our hands.

Our children are facing things today that have never been faced before.

- One million children a year see their parent's divorce
- More than 50% of the children in America's public schools live in single-parent homes
- 35% of America's children live apart from their biological father
- 50% of children who live apart from their biological fathers have never stepped foot in their father's house
- Children in single-parent homes have a 300% greater possibility of a negative life outcome than children raised in two-parent homes
- In the past 40 years, pregnancies out of wedlock increased 600%
- The majority of children in America have fewer than 10 minutes of significant and meaningful conversation with their parents each week

May 7, 2009

INDIANAPOLIS – Christian pollster George Barna reached out to members of the Christian press Wednesday night, insisting that United States is being destroyed from the inside and that the way to restore the country is through returning Americans to their core values.

The once great United States is decaying, declared Barna to hundreds of Christian journalists on the opening night of the joint annual convention of the Evangelical Press Association and the Associated Church Press.

America's rates of divorce, abortion, STD transmission, spousal abuse and crime are the highest or among the highest compared to other developed nations, he added. And the percentage of students graduating from high school on time has not changed in 32 years.

"The enemy of America today is not Iraq. It is not Afghanistan or communism. It is not Somalian pirates. It's the moral degradation and spiritual complacency of Americans," contended Barna, founder of the research firm

The Barna Group. "In essence it is the willingness of Americans to become victims of the imposition of values and objectives that defy our common good."

Barna revealed that every day in America:

- 1,160 teenage girls get abortions
- The majority of abortions occur in teens and younger women. The younger a teen is when she gets pregnant, the more likely she is to seek an abortion
- A little over half of the teens will have sex before high school graduation
- One in three women get pregnant before age 20
- About one third of teens who get pregnant seek an abortion
- Over 200,000 teens get an abortion every year
- 4,219 teenagers contract sexually transmitted diseases
- 500 teenagers begin using drugs
- 1,000 begin drinking alcohol
- Six commit suicide

As parents and grandparents, God has placed a great responsibility upon our shoulders. We are exhorted, and commanded in Proverbs 22:6, "Train up a child in the way he should go: and when he is old, he will not depart from it."

Children are born with the natural tendency to disobey. Thus, as parents, God has commanded us to teach them, tutor them, and train them to do that which is right. It's not enough to put a roof over your child's head; you must put the things of God in their heart. It's not enough to clothe them with physical apparel, but we must clad them with spiritual armor. You see, it's right to fight when you fight for right; and one fight that is always right is the fight for your family.

Our children need a quality Christian education.

We encourage pastors and parents to consider Christian schools or home school. Assistance is readily available to families who want to home school or churches who want to start a Christian school.

Respectfully submitted,
Rev. D. Edson (Ed) Ames
District Director of Elementary & Secondary School

REPORT #10
District Director of Senior Adult Ministries

To the forty-eighth Annual District Conference of the Indiana South District of The Wesleyan Church:

It was the 17th time our Senior Adult Ministries, formerly known as "Best Years Fellowship" met on the Orleans Camp Ground for our annual

retreat September 3-6, 2014. It is always good to renew old friendships and make new ones. It was great to have Dr. Norman Wilson as our speaker for morning devotions and evening services. The weather was good, the food, games, auction, craft, awards banquet, afterglow services and all the great times of fellowship and fun will be remembered by all. These retreats are for those 50 years and older, so if you have never been before, try it out this fall, September 9-12, 2015. Rev. Lane Loman will be the special speaker for morning devotions and evening services.

Respectfully Submitted,
Rev. Philo Jones
District Director of Senior Adult Ministries

REPORT #11
District Youth President

To the forty-eighth Annual Conference of Indiana South District of the Wesleyan Church.

At Family Camp last year, we had a track for young adults. Clay Smith was the director and Rev. Brian Sorenson was the speaker.

Rev. Wes Wickard was the speaker for the teen track at Family Camp. We observed many students at the altar seeking direction from God. We averaged 62 in our morning worship service and took 110 to Patoka Lake.

Rev. Amber Livermore spoke at last year's teen camp and the Holy Spirit moved in a mighty way that really can't be described on paper. But I will do my best to give a shortened version below of the happenings of the 180 campers + staff.

A 16 year old girl collapsed during one of the evening services and almost died. We sent the campers back to their rooms to pray as the paramedics worked on her. As she left by ambulance, we were not sure of her condition. A group of boys were praying in a circle outside their rooms and one of the boys was not a believer and had never prayed before, but felt so strongly that he needed to pray for that young girl. As the group of boys were praying, only the grass on the inside of the circle turned yellow and the young man who was not a believer in that instance believed and was saved! Before that night was over, we had 17 first time salvation, 20 restorations and the next day we baptized 41.

I could tell you story after story of how GOD moved that week, but let me take the time to THANK our district pastors, youth pastors, leaders and volunteers for investing into the lives of our district students.

May God continue to be the focus of all we do at our district camps.

Investing in District Students,
Rev. Joseph Mark Gormong
District Youth President

REPORT #15
District Director of Global Partners

To the forty-eighth annual Conference of the Indiana South District of the Wesleyan Church:

I want to thank each Pastor and church that has increased their giving this year for the work of Global Partners.

Our District's mission focus this year has been to finish funding the Jesus film Team in the Philippines. It is already reaping a great harvest, and two churches have been established from this ministry which is being funded by our district. Dr. Eckart and his son Josh traveled to the Philippines to see the Jesus film project and celebrate its completion.

Aaron and Lanee' Marshall as co-directors took a team to Haiti this past October, to work on the new employee housing on La Gonavue, at the new hospital.

In January, Lanee' and I as co-directors, attended the annual Global Partners missions roundtable in Orlando. We were able to be a part of the flags of the nation's parade for the Opening Ceremony of the International Conference of The Wesleyan Church.

Thank you for your continued support of our District Missionaries from this district, and all the other Global Partners Missionaries that are doing such a wonderful work for the kingdom. It is your support monthly that allows the light of the gospel to shine to the ends of the Earth.

Reaching the World for Christ,
Rev. Aaron and Lanee' Marshall

Director of Kid's Bible Retreat Report

To the forty-eighth Annual District Conference of the Indiana South District of The Wesleyan Church. Greetings in the name of our Wonderful Lord and Savior, Jesus Christ!

What an honor, privilege, and terrific experience to serve as Director of Kid's Bible Retreat 2014 and Family Camp Children's Director.

Seventy-four campers made the trek to Orleans Camp and registered for 72 hours of KBR14 and the high day attendance for Family Camp was around 48 children.

Financially, we started the year with a balance brought forward of $2,196.02. Income from District support, registration, fees, snack bar, and etc. totaled $9,493.91. Expenditures totaled $8,642.50 leaving a balance of $3,047.43 on hand.

Special thanks goes to my capable and experienced Assistant KBR Director and successor, Joe Gormong, who planned and executed the day to day function of the KBR14. Thank you, Joe, for your tireless service and devotion.

Hats off to the helpers for their dedicated service: administrators, Bible teacher, Rev. Wes Jones, , Music teacher and worship leader, Cassondra Linville, activities leaders Matt Wright and Kaleigh Yochum, my privilege to teach God and Science class, head counselors, counselors, platoon leaders, cook - my wife Connie, Kaye Melcho and kitchen helpers, cleaning personnel, grounds keeper, nurses, couriers, snack bar personnel, district office assistance, teachers, guest speaker, Michael Joe Linville, II, guest Gospel Magician Daniel Lee, Indy 500 race car on site live display, Air EVAC Lifeteam Helicopter on site live demonstration, and the faithful and capable assistance of my family!

It was an exceptional honor to have my son Michael Joe Linville, II as the keynote speaker for KBR14. He held the Gospel Banner high and led

the charge under our theme "LISTEN" with basis in James 1:22, "But be ye doers of the Word, and not hearers only, deceiving your own selves."

Prayer is always essential ingredient to any effective spiritual exercise and along with the prayers across the district, a special "Thank You" to Rev. Sue Lochmueller, who saturated the atmosphere daily with prayer.

Above all, THANKS BE TO GOD who brought these experiences about and whom it was all about! The focus was upon Him!

While the campers took home memories of the activities, friendships, etc., the new and deeper concept of God and the memory of a visitation by God on their lives will last a lifetime and beyond!

Thanks to God, KBR14 and Family Camp 14 were both an eternal success!

In His Service,
Rev. Michael J. Linville, Sr.
Director of KBR14 and Family Camp Children's Services

Keepers of the Vineyard

To the forty-eighth Annual Conference of the Indiana South District of The Wesleyan Church:

In 1952, the first District Superintendent of Indiana South, Dr. Melvin Snyder started what was called the **Founders of the Vineyard**. This money was used to help buy the property and pay for the original buildings.

A few years ago another former District Superintendent, Dr. O.W. Willis, started another fund called **Keepers of the Vineyard**. The principle could never be spent; however, there is interest on a yearly basis as the money is invested in WIF. As of now, we have a total of $101,000.00 in this account.

Praise God! There has been a goal that we would get at least $250,000.00 in this fund that would give continuing help for the ongoing of this beautiful campgrounds.

You can make gifts in memory of people or in honor of people for this fund. As you can see by the plaques on the southwest wall of the tabernacle, several have given to both of these funds for the ongoing of the Orleans Wesleyan Campgrounds. Gifts can be made in different amounts to the **Keepers of the Vineyard.**

Let me challenge you, if you have not thought of giving money into this fund, now would be a good time to start. It can be a blessing for those that follow you, maybe your children, grandchildren, or even great grandchildren.

Respectfully Submitted,
Dr. Mark S. F. Eckart
Director, Keeper of the Vineyard Fund

III. REPORTS

REPORT #1
DISTRICT YOUTH PRESIDENT

To the forty-eighth Annual Conference of Indiana South District of The Wesleyan Church:

At Family Camp last year, we had a track for young adults. Clay Smith was the director and Rev. Brian Sorenson was the speaker.

Rev. Wes Wickard was the speaker for the teen track at Family Camp. We observed many students at the altar seeking direction from God. We averaged 62 in our morning worship service and took 110 to Patoka Lake.

Rev. Amber Livermore spoke at last year's teen camp and the Holy Spirit moved in a mighty way that really can't be described on paper. But I will do my best to give a shortened version below of the happenings of the 180 campers plus staff.

A 16-year-old girl collapsed during one of the evening services and almost died. We sent the campers back to their rooms to pray as the paramedics worked on her. As she left by ambulance, we were not sure of her condition. A group of boys were praying in a circle outside their rooms and one of the boys was not a believer and had never prayed before, but felt so strongly that he needed to pray for that young girl. As the group of boys were praying, only the grass on the inside of the circle turned yellow and the young man who was not a believer in that instance believed and was saved! Before that night was over, we had 17 first time salvation, 20 restorations and the next day we baptized 41.

I could tell you story after story of how GOD moved that week, but let me take the time to THANK our district pastors, youth pastors, leaders and volunteers for investing into the lives of our district students.

May God continue to be the focus of all we do at our district camps.

Investing in District Students,
Rev. Joseph Mark Gormong
District Youth President
