## **The Five In Five Program / Vision Casting**

A big part of leadership is casting vision. The Lord told the Old Testament prophet Habakkuk concerning his vision to, “write the vision and make it plain on tablets...” (Hab. 2:2).

With this in mind I want to cast a vision called the five in five program. With the Lord’s help I want to see the following five things accomplished within five years in this great district.

- 1) To continue to promote and encourage the practice of spiritual disciplines.**
- 2) To work hard to promote the District Superintendent Club which is a program designed whereby people can give to support the district ministries.**
- 3) To continue to plant new churches.**
- 4) To revitalize and energize the churches in our district that are struggling to grow.**
- 5) To strive to see all of our churches pay 100% U.S.F.**

## Our Mission Statement

*Indiana South District of the Wesleyan Church has the assigned area of Administrative responsibility which covers forty-six counties. We Exist To Glorify God through the power of the Holy Spirit, and to boldly present Jesus Christ to all people. Through God's Word, fellowship, and prayer, we will endeavor to equip believers to become more like Christ. Through our love for Christ, we will work together to build the kingdom of God. We desire to be a district of:*

**H – elp  
O – thers  
P – repare  
For  
E – ternity**

## Our Administration Goals

### **Worship:**

Encourage our churches to be New Testament churches, a body of believers who express Christ-centered worship in every aspect of our lives.

### **Fellowship:**

We will serve by building a spirit of unity in our district family. Nurturing the fellowship through clear communication that leads to active participation and bearing one another's burdens through prayer.

### **Educational/Discipleship:**

We will serve by equipping our pastors, ministers-in-training and local church leaders to carry out the ministry of the local churches in advancing the Kingdom of God and spreading scriptural holiness throughout our district.

### **Evangelism:**

Challenge our churches to teach and train all believers to aggressively take the Gospel to all people through personal witness, community outreach and world mission opportunities. We will encourage our local churches to reach the UN-reached through planting new churches in areas with a growing population, going beyond racial and cultural barriers.

### **Servanthood:**

We will look to the future by investing ourselves heavily in ministries to youth, children and families.

### **Personal:**

To serve our district with integrity and faithfulness, being committed to excellence, having one purpose: to exalt the Lord Jesus Christ in our lives and ministry for the praise of His glory.

#### **U. ADMONITORY ADVICES**

1. The following resolutions are admonitory expressing views about holy conduct and Godly living amongst we Wesleyans in the Indiana South District.
  - a. In keeping with 1 Timothy 2:9 & 10, I Peter 3:3, and the *Wesleyan Discipline*, we recommend that our people dress with carefulness and modesty and in such a manner that brings glory to God. We recommend the avoidance of any apparel for adornment that could be a stumbling block for others and hinder our witness for Christ. As the *Discipline* states, "The Wesleyan Church believes that our people should provide clear testimony to Christian purity and modesty by properly clothing the body and by dressing with Christian simplicity."
  - b. Inasmuch as television is fast becoming a daily habit and an open door for infiltration of all kinds of vice, crime, and corruption into the sanctity of the home in an ever increasing number of homes in America; Therefore, we as a District go on record as being strongly opposed to the misuse of television.
  - c. Inasmuch as the Internet has become such an invaluable resource for important information but also such a potential for indescribable filth, we desire to strongly encourage our people, both ministers and laity alike, to exercise caution in how they use this volatile tool. This warning pertains both to the sites visited and to the amount of time spent on the Internet.
  - d. Whereas in order to be informed of current cultural trends, we recommend the following websites to enable us to know of any anti-family activity: [www.afm.com](http://www.afm.com) and [www.wesleyan.org](http://www.wesleyan.org), and [www.focusonthefamily.com](http://www.focusonthefamily.com).

*Reports of Officers*

**REPORT #1**  
**Report of District Superintendent**

General Superintendent, Dr. Jo Anne Lyon, delegates to this forty-fifth Annual District Conference and guests; it is an honor and pleasure to report to you today.

**Praise**

This is the ninth time I have had the privilege to report to the Indiana South Wesleyan District Conference. I thank God for the opportunity to be in His service and be able to serve you, as well.

Certainly, this is too big of a task for one person to do. It is true as one said, "to fulfill your dream you must have the right team in place." I am most grateful for God's leadership, my loving and supportive helpmate Debbie, and my family that helps with various jobs on the campgrounds and in my office.

Dr. Pence has been good to work with this last fiscal year. He offered sound advice and has been very helpful in giving input when I have contacted him concerning various issues. The Lord has blessed us with a very capable Assistant District Superintendent. Bro. England has worked diligently and has been a real asset to me and the ongoing ministry of this district. Likewise, Rev. Charles Stroud, serving as the Executive Representative, has been helpful in many assignments as well. The Executive Committee: Rev. Bob England, Rev. Lamar Brown, Rev. Phil Kessen, and Rev. Charles Stroud have done a great job working with me to see the Kingdom advanced. In fact, the whole D.B.A. have been partners in ministry and worked diligently for the district. Thank you!

I would like to also show my appreciation to the following people for working so hard in their respective jobs during this last fiscal year:

\*Mrs. Cindy Caniff as the Administrative Assistant (Assistant - Mrs. Dorothy Shepherd). \*Rev. Mike Hester and Mark & Barb England serving as caretaker  
\* District Director of Evangelism and Church Growth, Rev. Doug Preston; District Global Partners Director, Rev. Aaron Marshall; District Educational Director, Dr. Dan Willis; District Director of Elementary & Secondary Education, Rev. D. Edson Ames; District Director of Children's Ministries, Rev. Sue Lochmueller; District Director of Senior Adult Ministries, Rev. J. Philo Jones; Senior Adult Ministries Tour Director, Mrs. Sharla Somers; District Insurance Director, Rev. Everett Freels; District Director of Kid's Bible Retreat, Dr. Dan Willis; District Director of Wesleyan Women, Mrs. Sharla Somers; District Youth President, Rev. Joseph Gormong; and District Memoirs Chairman, Mr. Don Simpson. Note: For the last twelve years Rev. Bob England has served with distinction, faithfulness, and godliness as the Assistant District Superintendent. He will be missed in this position. May God continue to bless him, his family, and his pastoral ministry.

### **First Things First**

In church work, the most important thing we can do is to keep our relationship with God in good order as well as our relationship with our fellow men. It is intriguing to me that Apostle Paul put prayer first when in 1 Timothy 2:1 he wrote, "Therefore I exhort first of all that supplications, prayers, intercessions, and giving of thanks be made for all men..."

That phrase "first of all" really deserves our attention. I believe if we pray and seek God with our whole heart, it will touch the heart of God and He will bring about good in our lives and ministry.

Jesus said it another way when He admonished, "But seek first the kingdom of God and His righteousness, and all these things shall be added to you." There is that word again "first". As a district if we could just put God first! What I need most (and you probably do as well) is a fresh renewing of the Holy Spirit in our lives and ministry. May God help us to be renewed in our spirit, renewed in our relationship, and be reaching out to the lost in our churches and communities!

This year I, again, prayed through the District Journal focusing on five churches including pastors and lay people. This is one way for me to keep first things first. Also, I would invite all of you pastors and lay people alike to join Deb and I as we regularly fast (miss as many meals as you feel led to) on Friday's on behalf of the district and the churches.

### **Churches**

I thank God for all 90 churches and the pastors of each church. As I often say, every church counts, and every pastor counts in God's eyes.

On Friday, March the 2nd, 2012 I got word that our church at Holton, IN was struck by a tornado. It was a damaging tornado that even took the lives of a few people in that town, even though they did not attend our church. The Wesleyan Church was destroyed and has since been demolished and removed. They plan to rebuild soon. With the insurance money they have received plus the monies that have been given by the churches on this district, as well as many churches from across the US, they should have the resources to build a nice sanctuary without much debt. I would also like to say a big "thank you" to the Wesleyan Women and Sharla Somers for hosting a benefit concert where a thousand dollars was given to help with the church rebuilding. The General Church was also gracious in sending Holton Wesleyan \$6,773.40 from the disaster relief fund. May God bless Rev. Wilbert Vandervort and the Holton Church as they build for the future.

It is with joy that I can report that Deb and I were privileged to go down to Evansville this spring and dedicate the beautiful new sanctuary that Pastor Mike Stoelting and his church has built on the same location as the pervious church. It is a modern facility that allows them to reach effectively various age groups with the Gospel of Jesus Christ. Congratulations on a job well done!

Grace Pointe is making progress in the New Albany and Clarksville area. Through the providence of God, and the leadership of Pastor Nathan Watters, they have moved from the Clarksville area back to Spring Avenue in New Albany to reconstruct that church. A donor gave them \$10,000.00 to get started. I was also privileged this year to attend the ceremony where this new attractive facility was dedicated for the glory of God!

As a District, we have our work cut out for us. We had a gain in conversions and baptisms with 218 people being saved and 115 being baptized, but we need to work more diligently in seeing more people brought to faith in conversion and then being disciplined into sanctification. Thank you for spreading the Gospel and may ALL of our churches strive to reach the lost. As one of my D.S. friends said, "there is no excuse for a church to go a whole year and no one be converted to Christ".

For decades there was a misunderstanding between the people at the Clarksburg Wesleyan Church and our district. Their minister got very ill and called wanting to talk with us and get things right with us before he passed away. Through the help of the Lord, Rev. Charles Stroud and I was able to meet with them and then at a later meeting I was able to bring closure to this situation and sell the church to them at a fair price. Also, for many years now, our church at Simpson Chapel has struggled with attendance and viability so the DBA voted unanimously to endeavor to sell the property which we are currently doing.

Many of our churches are involved in outreach ministries in their communities. One such example is Mecca New Life Wesleyan where Pastor Donna Hardesty pastors. They have a food pantry/clothes closet ministry whereby they serve approximately 125 people per week. Then on Wednesday nights during the school year they have what they call the ROCK program where they serve about 60 school children hot meals, clothing, and Bible instruction.

### **Church Restart**

For decades, we have had a church in Hope, IN. At one time, they had 125 people in worship. Over the years, the crowd has diminished, and the building has deteriorated to where it is no longer safe to use. The DBA has voted to close the existing church and to restart.

We are excited that Pastor Barry Goodman and his wife, Darla, have agreed to serve as the pastoral team to launch this work. The good news is since last year they have completely remodeled the parsonage and started meeting in a community building where they have had as high as 87 in church attendance. They have also torn down the existing church and are planning to rebuild a church in God's timing. Help us pray that God will bless our efforts and we will see the church grow.

## **Programs**

### **Extremely G.L.A.D. Program**

As of now, the new septic system has been installed at the campgrounds and we have enjoyed the benefit of it the last year or so. This was of necessity Because the old system was installed decades ago and it had to be replaced to meet start requirements. We currently owe \$115,565.78 on this system. With God's help several thousands of dollars has already been raised for this project and we have not had to use any USF funds to pay the monthly bill. My goal is to see this debt eliminated by 2014. I praise God that he helped me to visit a donor. After the visit, the gentleman has sent \$26,000.00 the last couple of years and sent another \$6,000.00 this year for a total gift of \$32,000.00 to this program.

### **Care & Share Program**

Deb and I also hosted several Share and Care lunches this year across the district. We had 25-30 pastors and spouses that came out to most gatherings. An outside donor provided the finances where the meals were free and each person got a gift. We had a great time enjoying the meal, fellowship, and prayer time.

### **Evangelism and Church Growth**

Pastor Doug Preston has done a splendid job this year of refocusing this department. He has built on the foundation that Rev. Charles Stroud lay the last few years focusing the "care and share" program I started to help struggling churches, as well as be a resource to the healthier churches. Pastor Preston has organized the EC&G board, had consistent meetings, sponsored Super Saturdays across the district, and helped cast a vision for months to come in this department. What is helpful is that he has led by example and had the highest gain in AM worship across the district by having an increase of 30 at his church at Greensburg.

### **Minister of the Year Award**

Once again, this year, later today, we will be giving a worthy pastor and their spouse a very nice gift. The idea was to give a pastor \$500.00 to take a weekend away for rest and relaxation. Some families that love pastors are providing this money to make this trip possible.

**Lay Person of the Year Award**

Churches and pastors were invited to send in a name from your church of a worthy layperson to be honored on this day. A committee has selected that name and they will be recognized later today. In fact, my office designated April to be Lay Appreciation Month across the district much like October is Pastor Appreciation Month.

**Hope for Haiti**

I felt a burden for the people of Haiti and shared that with the DBA. They unanimously voted to start the "Hope for Haiti" Project. We are joining with Global Partners at the International Center to build a church in that country because of the devastating earthquake some months ago. We needed \$21,000.00 to see this project finished. Praise God all of the money has been raised and a team of seven has went to Haiti in October to help build the church. Pastor Aaron and I plan to go down this fall (the Lord willing) to dedicate the new church. Thanks for all those who gave and went to see this project completed.

**Philippines – Jesus Film**

On a visit to HQ awhile back, the Jesus Film project was presented and I felt led by the Lord for us as a district to participate in this program. After being nudged by the Holy Spirit, I presented the idea to Pastor Dan Gormong (Senior Pastor of the Terre Haute Faith Church). His church agreed to pledge and pay \$18,000.00 of the \$40,000.00 that is needed for a team to go for two years and plant churches in the Philippines as a result of showing the Jesus film in their native language. Praise God! So, would you help me pray that God will assist us in raising the rest, the other \$22,000.00, by the fall of 2014? I believe this is a God thing, and He will help us reach this goal.

This district has a real heart for missions. Last year we gave \$206,902.00 to Global Partners. This is outstanding for a district of our size. The Terre Haute Faith Church (Pastor Dan Gormong, the senior pastor) along with several other churches gives sacrificially towards world evangelism. May God bless every dollar given to advance HIS kingdom.

**United Stewardship Fund**

With God's help, we did it! One goal I have had since serving as DS is to break the 90% barrier on USF Collections. This year, once again we collected 90.5%. I am proud of and thankful for the 65 churches that paid full budget this year. You are to be commended for your faithfulness to God and the district for keeping this commitment.

As always, we want to keep as much money as we can in the local church. However, it is so important for each church to pay their part of the U.S.F. We are a team here in Indiana South, and each one must do their part for us to stay current in our obligations.

Here are the 65 churches that paid 100% of their U.S.F. They are to be commended!

### **Ministerial Training**

God has blessed us by allowing us to continue to train ministers here in our district. This takes place during the two-day seminars we offer and in the May seminar we give during the first week of May. This year we have trained approximately 40 different students through this outreach. This assists the ministers to get their classes finished so they can get licensed and ordained. A special thanks to Rev. Bob England, Rev. Charles Stroud, and Rev. Joey Nelson for helping to make this academic ministry a success. We also praise the Lord that a financial gift was given to help support this ministry. Because of gifts like this, we are able to offer classes without it coming out of the U.S.F. Funds.

#### Goals

Here are some goals we are currently working on or plan to do so:

- \*To encourage all pastors, lay people, and churches to continue to seek God for a spirit of renewal and revival across this district
- \*To continually seek ways that we can get better to advance the Kingdom of Christ through the Indiana South District of The Wesleyan Church
- \*To have every church to pay full U.S.F. as soon as possible
- \*To continue to study how we can be involved in Global Partners through Panama, The Jesus Film in the Philippines, and other places as well
- \*To continue to evaluate our district with the thought in mind of planting new Churches, including Hispanic, and reenergizing some we have now
- \*To have every church faithfully send in their monthly Sunday School reports in a timely fashion as well as year end reporting
- \*To see the Extremely Glad Program finished by 2014

\*Strive to see all churches grow in number but most of all spiritually. It is true that church health is as important as church growth. In fact, if our churches are healthy they should grow numerically!

Recently we have been promoting a new Mission Statement here in Indiana South. It is that we would be a district of H.O.P.E.

H – Help  
O – Others  
P – Prepare  
For  
E – Eternity

If we do this effectively, then we will have been successful. May God help us do just that.

In all of our work as a district, and on the local level as well, we should keep in mind the verse I have at the end of my stationary. It says, "Unless the Lord builds the house, they labor in vain who build it . . ." Psalm 127:1

Respectfully Submitted,  
HIS servant and your friend,  
Mark S. F. Eckart

## **REPORT #2**

### **Keepers of the Vineyard**

To the forty-fifth Annual Conference of the Indiana South District of The Wesleyan Church:

In 1952, the first District Superintendent of Indiana South, Dr. Melvin Snyder started what was called the Founders of the Vineyard. This money was used to help buy the property and pay for the original buildings.

A few years ago another former District Superintendent, Dr. O.W. Willis, started another fund called **Keepers of the Vineyard**. The principle could never be spent; however, there is interest on a yearly basis as the money is invested in WIF. As of now, we have a total of \$102,967.73 in this account. **Praise God!** There has been a goal that we would get at least \$250,000.00 in this fund that would give continuing help for the ongoing of this beautiful campgrounds.

You can make gifts in memory of people or in honor of people for this fund. As you can see by the plaques on the southwest wall of the tabernacle, several have given to both of these funds for the ongoing of the Orleans Wesleyan Campgrounds. Gifts can be made in different amounts to the **Keepers of the Vineyard**.

Let me challenge you, if you have not thought of giving money into this fund, now would be a good time to start. It can be a blessing for those that follow you, maybe your children, grandchildren, or even great grandchildren.

Respectfully Submitted,  
Dr. Mark S. F. Eckart  
Director, Keeper of the Vineyard Fund

### **REPORT #3**

#### **ASSISTANT DISTRICT SUPERINTENDENT REPORT**

To the forty-fifth Annual District Conference of the Indiana South District of The Wesleyan Church:

Greetings to Dr. Jo Anne Lyon, our General Superintendent, Dr. Mark Eckart, Indiana South District Superintendent, ministerial brethren, lay delegates and visiting friends.

It has been a joy and an honor to serve the Lord in this past year. God has been my guide, my peace, my comfort, my keeper, my Lord, and my Savior to whom I give thanks and praise.

I have done my best to serve the Lord, His church, this District, and assist Dr. Mark Eckart in all he has asked me to do.

I have been privileged and honored to serve under Rev. Marvin Hughes and Dr. Mark Eckart these past twelve years. I am resigning my position as Assistant District Superintendent for three reasons.

First, my physical strength is waving and I don't have the energy to keep up with the demands of the job.

Second, the church needs more of my time than I have been able to give due to the responsibilities of both the church and the District work.

Third, a year ago God spoke to my heart, and said it was time to resign and released me from the calling.

I have been greatly honored and blessed to have been privileged to serve in this capacity.

Here is the summary of my report:

- I have traveled 2454 miles this year in District work
- I spent more hours than I could count in District work
- I have given myself lovingly and faithfully to the Ministerial students assisting in any way possible to help them succeed in their studies
- Coordinated District Camp with the help of Rev. Charles Stroud
- Coordinated and oversaw the May Ministerial Training Seminar
- Coordinated (2) two-day Saturday Ministerial Training Institutes
- Attended 5 funerals of ministers and family member of ministers

- I have served on the DBA, chaired and coordinated the DBMD, the May Seminar Committee, the District Finance Committee, and the Conference Journal Committee
- Attended 2 ½ days of Game Plan Training at Headquarters
- Attended the Care and Share meetings with pastors
- Attended three Super Saturday meetings across the District
- Did my best to help and serve Dr. Mark Eckart, our good District Superintendent

Thank you all who prayed for us this past year. May God bless this great district in the years to come as He tarries.

Respectfully Submitted,  
Rev. Bob L. England  
Assistant District Superintendent

**REPORT #8****District Director of Evangelism and Church Growth Report**

To the forty-fifth Annual Conference of the Indiana South District of The Wesleyan Church:

It was an honor serving the district this year and my prayer is that God will continue showering his Blessings on us as we find the mind of God for our district.

I attended Church Growth training at Frankfort, IN with Dr. Tim Roehl through the Flame program of The Wesleyan Church. I also attended a district EC&G board meeting of the South Coastal District of the Wesleyan Church as training of what other districts are doing. The South Coastal District sponsored an AWAKEN Conference, that I attended, with guest speaker Rev. Jason Berry from 12 Stone Church, one of the fastest growing churches that we have. I also attended TransforMissional Coaching training and am starting to coach a pastor in our district on an Intentional Mission for their church.

We as an EG&G board have met four times this year to pray over our churches and implement training programs. An example of this is we had three different SUPER SATURDAY training sessions across the district at Greensburg, Washington and Paoli. These sessions included training on Intentional Mission, Building and Grounds, Church growth and the importance of healthy children and Youth programs for the local church. We also did the planning of how best to help us all grow and to reach the ultimate goal of bringing people to Christ.

As we look into the future, we plan to help our new church plants get established and seek areas that God would be pleased to plant other churches for Kingdom growth.

Respectfully Submitted  
Rev. Doug Preston  
District Director of Evangelism  
and Church Growth

**REPORT # 9****District Educational Director Report**

Greetings to the forty-fifth Annual District Conference of the Indiana South District of the Wesleyan Church:

It has been an honor to serve as Director of Education this past year. I am happy to report that we had 12 students from our district enrolled at Indiana Wesleyan University this past year, three at Southern Wesleyan University, one at Oklahoma Wesleyan, and one at Bethany Bible College. Nine of those students were on matching scholarships from respective churches. There are also several other students from our district enrolled at IWU, involved in various programs such as the Adult Professionals Studies Program, the LEAP Program, or the Indiana Wesleyan Seminary. All of the

programs allow working professionals to pursue a degree in either an associate, bachelor, master, or doctorate course of study.

I am also happy to report that we have 81 students in a non-traditional ministerial preparation program. It is one of the great missions of the Church to train and equip ministers in the days ahead. This program allows for working people to work toward being a commissioned or ordained minister. Students can choose from many of the district extension courses such as our Ministerial Seminar here in Indiana South District, or they can choose FLAME Seminars organized by The Department of Education & the Ministry, or even SIMS courses at Southern Wesleyan University. In addition to these programs, there are various correspondence courses available through MSCA.

We are still in great need of quality Christian educational institutions. We need to provide an alternative to the public education system to give parents and students the opportunity for excellent learning as well as the Christian influence that is missing in our public schools.

I can also report that our district Teen Retreat and Kid's Bible Retreat both offer Christian Education to our campers. These classes are intended to help our campers understand in real life what the Bible teaches as it relates to today's struggles.

Christian colleges and universities are making it easier each day for people to pursue an academic degree of their choosing, whether on campus or online. If one wants an education, it is readily available.

Thank you for the opportunity to be of service.

In Christian Service,  
Dr. Dan Willis  
District Educational Director

### **District Director of Senior Adult Ministries**

To the forty-fifth Annual Conference of the Indiana South District of The Wesleyan Church:

On September 7, 2011, our Senior Adults met for our fourteenth Annual Retreat at the Orleans Wesleyan Campground. What a wonderful time we all had during three fun filled days of activity and devotion. Dr. O.W. Willis was our speaker for morning devotions as well as the evening services and what a great job he did.

This fall, Dr. Norman Wilson will be our speaker, so make plans now to be with us for the Retreat of 2012, which will be held September 5 - 8.

Rev. Philo Jones  
District Director of Senior Adult Ministries

**REPORT #11****District Youth President**

To the forty-fifth Annual Conference of the Indiana South District of The Wesleyan Church:

I am thankful to have had the opportunity to serve as District Youth President this past year. I want to give much thanks to the following individuals:

Rev. Kelli Ward Assistant - District Youth President Pastor  
 Barry Goodman - District Youth Treasurer  
 Rev. Teri Jones - Secretary  
 Mr. Phil Shelton - Executive Cabinet Member  
 Rev. Wes Jones - Executive Cabinet Member  
 Mr. Clay Smith - Executive Cabinet Member  
 Pastor Matthew Wright - Executive Cabinet Member  
 Miss Melissa Linville - Campus Challenge Director

Rev. Josh LeRoy was used by the Holy Spirit at ***“Teen Camp”*** this year and we had wonderful services at the altar. No one individual gets the credit for camp this year. It was a team effort under the direction of the Holy Spirit.

We had another year of record-breaking numbers at ***“Family Camp.”*** We rented several pontoon boats filled with students/staff and spent the day at Patoka Lake. We had our worship service right on the boat in a private cove. Rev. Wes Wickard was our speaker, and he provided the worship band. The Holy Spirit moved incredibly that day and we had the opportunity to baptize many students.

We had eight individuals that attended ***“Frequency”*** May 17-19 this year. Frequency is our adult leadership training. It was an opportunity to refresh and refuel for ministry!

Training students to reflect Christ,

### **District Director of Children's Ministries**

To the forty-fifth Annual Conference of the Indiana South District of The Wesleyan Church:

Life is full of surprises. Better yet, some would say, "Life just happens." At the Kid's Bible Retreat for Indiana South Wesleyan last June, I spoke to the campers about this. I stressed the need for each of them to trust God with their lives regardless of what was happening in their lives. We can, you know, and this will always be true. Jesus has even told us, "Trust in God; trust also in me." (John 14:1)

At a luncheon workshop, “The Call to Serve” in December at Spring Mill Inn for children’s workers, we were challenged to consider why we serve to begin with. It is more than just to be a good neighbor. I referred to George Barna’s book on vision—*The Power of Vision/Discover and Apply God’s Plan for Your Life and Ministry* (Regal, 2009). In this book, knowing God would come first as we seek to understand what God is calling us to do. I believe that knowing God is our purpose for being here. And this should be our number one purpose as we seek to know what we should do. This, too, was discussed.

Pastor Mark Wilson, our March speaker for the 60th Annual Ministerial Convention at Bloomington Indiana, has much to say about faith. Sharing our faith with others inspires us to help others with their faith, too. His new book can tell us more about this.

In November 2011 at Equip ’11 held at Indiana Wesleyan University in Marion Indiana, I had a chance to attend Keith and Gen Springer’s workshop “Resourcing your Children’s Ministry.” There we were encouraged to help the church help the parents to grow children who are passionate about Jesus. Jesus and children loved to spend time together as shared in the Gospels and we can encourage this as well.

Both Pastor Mike Linville and I returned to the university in February to give breakouts for Indiana South Wesleyan at their Huddle 2012 event. We had been invited by Indiana North and Indiana Central to do this, for they were there along with other districts, too. The breakouts Connecting like Jesus (Sue) and Calling Kids to Action (Mike), along with other breakouts and special speaker Sonja Burpo, the mother of Colton, went very well. Colton’s book, *Heaven is for Real*, continues to remain a best seller. Indiana South Wesleyan has been asked to return. For this and more, we give praise to our Father in Heaven.

Pastor Mike and I met again for his breakout Children’s Ministry for Super Saturdays. These Super Saturdays occurred in March and April for churches in the East, West and Central areas. Mike urged us to “think kid” to reach kids. Also there, Dr. Tim Roehl from Wesleyan Headquarters has morning sessions encouraging us to become more missional minded—shift to “missionary thinking.” Be sensitive to the lost. His book *Game Plan/Developing Intentional Missional Ministry* (The Wesleyan Church, 2012) shows us how to do this. When I made my stop in April for Wesleyan Kids for Missions at Spring Mill Inn, I attempted to further promote missions along with some of his ideas. And “Coffee & Chat” prior to the church event was meant to encourage ourselves to see the world as God sees the world. This would help us change our world for Him.

In conclusion, the game of life requires that we get involved. So, get in the game and don’t miss your life. Life doesn’t just happen. We must choose life instead. This means we never give up and we choose what’s right and change what isn’t. If you are discouraged, remember—it’s not how you start; it’s how you finish. Care about God; care about others; and care about you. The Lord has promised “My presence will go with you and I will give you rest.” (Exodus 33:14). God bless you.

**REPORT #14****District Insurance Administrator**

To the forty-fifth Annual Conference of the Indiana South District of The Wesleyan Church:

When you have a good agent like Doug Jones, it makes my job a lot easier. The only big loss we had was Holton, but that did not involve our campground directly. I had to remind a few churches their insurance was due. Other than that, not much.

**REPORT # 15****District Director of Elementary and Secondary Education**

To the forty-fifth Annual Conference of the Indiana South District of the Wesleyan Church:

I recently read that the church has a child 1% of the time, a school (Christian or other) has a child 18% of the time, and a child is home 81% of the time. It is obvious from the Bible and from human experience that a child's education and training must begin and be centered in the home. ***Psalm 127:3: Sons are a heritage from the LORD, children a reward from him. Eph. 6:4 Fathers, do not exasperate your children; instead bring them up in the training and instruction of the Lord.***

God even tells us that what, where and when we should be teaching our children: ***Deut. 11:18-21: "Fix these words of mine in your hearts and minds; tie them as symbols on your hands and bind them on your foreheads. Teach them to your children, talking about them when you sit at home and when you walk along the road, when you lie down and when you get up. Write them on the doorframes of your houses and on your gates, so that your days and the days of your children may be many in the land that the LORD swore to give your forefathers, as many as the days that the heavens are above the earth."*** ***Proverbs 22:6: "Train a child in the way he should go, and when he is old he will not turn from it."***

Home school is an option for Christian parents; and a Christian school should also be a consideration. Some parents have argued that they want their children to be "salt and light" to their government school classmates. While God uses all ages, He doesn't call children to be teachers, pastors, and missionaries without training and maturity.

A Christian education doesn't cost—it pays eternal dividends. Home school curriculum is affordable and every parent who wants their children to have a quality Bible-based education CAN afford it.

**REPORT #19**  
**Director of Kid's Bible Retreat Report**

Greetings to the forty-fifth Annual District Conference of the Indiana South District.

Our theme for KBR this past year was "Cross Training." We had 69 campers with about 35 staff members. There was an excellent spirit on the campgrounds and you could just feel God's presence. We had a great evangelistic staff this year, using pastors in our district. Rev. Joe Gormong, Rev. Mike Hester, Rev. Teri Jones, and Rev. Wes Jones spoke. It was very exciting.

We also had a great team of counselors. Our counselors not only had the opportunity to minister to others, but many of them said they had a wonderful experience with God during the week as well.

We had four classes during the week: A Bible class, a video class, a music class and an activities class. There were also other activities such as a scavenger hunt, which required the kids to interact and work together competitively, but also to treat one another with love and respect. The staff was incredible and we couldn't have done it without them. Many thanks.

On Wednesday, we had a picnic lunch followed by a carnival with a moonwalk, climbing walls and other rides and activities. We enjoyed popcorn and sno cones for refreshments. On Thursday evening, we had a cookout. We had lots of other activities including "Russian Spies" which the kids love and football with Dr. D. Thursday evening we had a Christian Praise Time, and then "Around the Campfire," where kids had the opportunity to consider God's call to Christian Ministry. It was a great time of worship and God moved, as He always does when we seek Him. I am so pleased to report that 59 of our campers reported going to the altar seeking God, ei-

ther as a first-time commitment or as a rededication. The Holy Spirit's presence was incredible throughout our 72 hours together.

In closing, we had a wonderful camp. Praise God for what He has done in the lives of our campers and staff. All of us came away from camp with a deeper love and appreciation for God. Rev. Mike Linville is directing our upcoming retreat. I am anticipating great things, as God is always faithful to those who serve Him.

Thank you for the honor to serve.  
Dr. Dan Willis,  
Former Director

### **District Wesleyan Women Director Report**

To the forty-fifth Annual District Conference of the Indiana South District of The Wesleyan Church:

This has been a year of action in the Wesleyan Women organization.

At our district camp meeting and conference, Wesleyan Women provided materials to the churches concerning the Wesleyan Women Organization. We also promoted the college and other organizations within the church such as WIF, Global Partners and Stewardship Ministries.

One church has a women's meeting every month and at that time, they sign personal greeting cards and send them to all District Officers and to people who need encouragement.

The Greensburg church had a weekend meeting with Missionary emphasis. They went to Cincinnati Saturday to purchase unusual food and prepared it, as it would be served on the mission field. A missionary husband and wife were there speakers.

Evansville Forest Hills had a great WW two-day program; Martha Blackburn was to be their speaker, but her husband became ill and was taken to the hospital. The group carried on with skits and special music. Many from other churches attended the event and it was a success.

As a District WW organization, a concerned look has been taken at the campgrounds and found that areas which need help and repair. We are preparing a room for the singers and their families; providing beds and bed linens, a dresser and mirror and replacing damaged bath fixtures.

The Holton Wesleyan Church was damaged by the tornado March 2nd and the people were becoming anxious while waiting to hear when the building would be rebuilt. Our organization planned a Gospel Concert at the North Vernon Nazarene. Jim Hutson of a local Christian radio station, The Girls, and the Green Valley Boys provided music for the event and money was given to the Holton Church.

Many of our WW groups faithfully visit people in the nursing home and provide special services monthly.

The gifts for missionaries have been taken directly to Florida for shipment or taken direct to the Indian reservation.

Our district Wesleyan Women has an ongoing Scholarship to Indiana Wesleyan University at Marion to help young people attend college.

This year for our conference, we have Alan Miller as our speaker. He is the editor of the IWU *“Triangle”* and Public Relations Director for the college. Lanee’ Marshall, Blue River Wesleyan, is providing the special music.

The purpose of this organization is to devote time to the churches and local community, encouraging them and attending church services such as revivals and individual retreats. We work together for one purpose—building the kingdom of God.

Thank you for another year with the opportunity to serve this district.

Respectfully,  
Sharla Somers  
District Wesleyan Women Director

## IV REPORTS

### REPORT No. 1

#### District Wesleyan Women Director Report

To the forty-fifth Annual District Conference of the Indiana South District of The Wesleyan Church:

This has been a year of action in the Wesleyan Women organization.

At our district camp meeting and conference, Wesleyan Women provided materials to the churches concerning the Wesleyan Women Organization. We also promoted the college and other organizations within the church such as WIF, Global Partners and Stewardship Ministries.

One church has a women's meeting every month and at that time, they sign personal greeting cards and send them to all District Officers and to people who need encouragement.

The Greensburg church had a weekend meeting with Missionary emphasis. They went to Cincinnati Saturday to purchase unusual food and prepared it, as it would be served on the mission field. A missionary husband and wife were there speakers.

Evansville Forest Hills had a great WW two-day program; Martha Blackburn was to be their speaker, but her husband became ill and was taken to the hospital. The group carried on with skits and special music. Many from other churches attended the event and it was a success.

As a District WW organization, a concerned look has been taken at the campgrounds and found that areas which need help and repair. We are preparing a room for the singers and their families; providing beds and bed linens, a dresser and mirror and replacing damaged bath fixtures.

The Holton Wesleyan Church was damaged by the tornado March 2nd and the people were becoming anxious while waiting to hear when the building would be rebuilt. Our organization planned a Gospel Concert at the North Vernon Nazarene. Jim Hutson of a local Christian radio station, The Girls, and the Green Valley Boys provided music for the event and money was given to the Holton Church.

Many of our WW groups faithfully visit people in the nursing home and provide special services monthly.

The gifts for missionaries have been taken directly to Florida for shipment or taken direct to the Indian reservation.

Our district Wesleyan Women has an ongoing Scholarship to Indiana Wesleyan University at Marion to help young people attend college.

This year for our conference, we have Alan Miller as our speaker. He is the editor of the IWU "*Triangle*" and Public Relations Director for the college. Lane' Marshall, Blue River Wesleyan, is providing the special music.

The purpose of this organization is to devote time to the churches and local community, encouraging them and attending church services such as revivals and individual retreats. We work together for one purpose—building the kingdom of God.

Thank you for another year with the opportunity to serve this district.

Respectfully,  
Sharla Somers  
District Wesleyan Women Director

### III. REPORTS

#### REPORT No. 1

#### District Youth President

To the forty-fifth Annual Conference of the Indiana South District of The Wesleyan Church:

I am thankful to have had the opportunity to serve as District Youth President this past year. I want to give much thanks to the following individuals:

Rev. Kelli Ward – Assistant District Youth President

Pastor Barry Goodman – Treasurer

Rev. Teri Jones – Secretary

Mr. Phil Shelton – Executive Cabinet Member

Rev. Wes Jones – Executive Cabinet Member

Mr. Clay Smith – Executive Cabinet Member

Pastor Matthew Wright – Executive Cabinet Member

Miss Melissa Linville – Campus Challenge Director

Rev. Josh LeRoy was used by the Holy Spirit at “**Teen Camp**” this year and we had wonderful services at the altar. No one individual gets the credit for camp this year. It was a team effort under the direction of the Holy Spirit.

We had another year of record-breaking numbers at “**Family Camp**.” We rented several pontoon boats filled with students/staff and spent the day at Patoka Lake. We had our worship service right on the boat in a private cove. Rev. Wes Wickard was our speaker, and he provided the worship band. The Holy Spirit moved incredibly that day and we had the opportunity to baptize many students.

We had eight individuals that attended “**Frequency**” May 17-19 this year. Frequency is our adult leadership training. It was an opportunity to refresh and refuel for ministry!

Training students to reflect Christ,  
Rev. Joseph Mark Gormong
