## **Vision Casting:**

A significant part of leadership is casting vision. The Lord told the Old Testament prophet Habakkuk concerning his vision to, “write the vision and make it plain on tablets...” (Hab. 2:2)

We believe ONE MATTERS!

Man’s greatest need is forgiveness. The church exists to bring the Good News to a lost world. People need Jesus! In Luke 15, Jesus talked about finding the lost sheep, lost coin, and lost son. May we be faithful in this endeavor.....willing to leave the 99 to go after the lost.....ONE MATTERS!

Doug Preston

## **Our Mission Statement**

*Indiana South District of The Wesleyan Church has the assigned area of Administrative responsibility which covers forty-six counties. We Exist To Glorify God through the power of the Holy Spirit, and to boldly present Jesus Christ to all people. Through God’s Word, fellowship, and prayer, we will endeavor to equip believers to become more like Christ. Through our love for Christ, we will work together to build the kingdom of God.*

## **Our Administration Goals**

### **Worship:**

Encourage our churches to be New Testament churches, a body of believers who express Christ-centered worship in every aspect of our lives.

### **Fellowship:**

We will serve by building a spirit of unity in our district family. Nurturing the fellowship through clear communication that leads to active participation and bearing one another's burdens through prayer.

### **Educational/Discipleship:**

We will serve by equipping our pastors, ministers-in-training and local church leaders to carry out the ministry of the local churches in advancing the Kingdom of God and spreading scriptural holiness throughout our district.

### **Evangelism:**

Challenge our churches to teach and train all believers to aggressively take the Gospel to all people through personal witness, community outreach and world mission opportunities.

### **Church Plant:**

We will encourage our local churches to reach the UN-reached through planting new churches in areas with a growing population, going beyond racial and cultural barriers.

### **Servanthood:**

We will look to the future by investing ourselves heavily in ministries to youth, children and families.

### **Personal:**

To serve our district with integrity and faithfulness, being committed to excellence, having one purpose: to exalt the Lord Jesus Christ in our lives and ministry for the praise of His glory.

**General Superintendent**

## **H. CHURCH GROWTH**

1. The mission of the church is to win the lost to Christ and receive them into the fellowship of the church so that we can disciple them, be it resolved, that each church set as their goal to add as many new members as possible per year by profession of faith.

Furthermore that the report section of the *Indiana South Wesleyan* be called "Church Growth Report." Each church is to report their Sunday a.m. and p.m. average monthly in person and online attendance and Spiritual Formation ministries average monthly attendance. Spiritual Formation is a small group of any educational class meeting on a weeknight except on Sunday night including those meetings that take place away from the local church facilities as well. Church Growth attendance is to be sent to the District Office after the last service. However, if the District Office has not received the report by deadline of reporting, they are authorized to contact any church or pastor who has failed to report the monthly attendance figures by card, telephone, or by e-mail.

We recommend that recognition be given those churches that excel in their Morning Worship Attendance.

These shall be awarded to the churches having (1) the largest percentage gain in Morning Worship and (2) the largest numerical gain in Morning

Worship. This does not include those received by transfer of letter (*The Discipline*, paragraph No. 568-570.)

## I. SPIRITUAL FORMATION GROUPS

1. Planning for growth is necessary to its realization, and the Indiana South District has the potential for reaching thousands for Christ and the gospel through its Spiritual Formation Groups.
2. Evidence abounds in the Scriptures that God has instituted the family unit for His use, and there are destructive forces at work today against the family and the home, and the General Department of Spiritual Formation has launched an intensified program of Christian Family Ministries, therefore, the District Spiritual Formation Committee shall be assigned the responsibility in accordance with *The Discipline* provision.

The District Spiritual Formation Secretary shall direct the program for the District Spiritual Formation Committee in harmony with the plan of the General Department of Spiritual Formation.

3. Monthly Church Growth reports to the District Office shall be based on the actual attendance of all Sundays in the month. Spiritual Formation Groups attendance report is to be sent on monthly Church Growth report cards or via email. Those who do not report their monthly attendance will be listed in the district communication by church name and pastor.
4. The standard for average attendance for Spiritual Formation Groups, A.M. Worship, P.M., and Spiritual Formation shall be based on 48 Sundays per year. ## J. REGION ORGANIZATION

### **EXAMPLE:**

Church A brings in \$800/week in February. The monthly total for February is \$3,200. 10.5% of \$3,200 = \$336. Church A would send \$336 to **The Indiana South Wesleyan District, PO Box 7213, Fishers, IN 46038**, by the 15th of March (the following month). NOTE: The USF shall be paid monthly based on the previous month's giving. This will be based on 10.5% of the total giving of that month. Instead of paying on last year's giving, it will be based upon "realtime" giving.

The base income to figure the 10.5% amount will follow the guidelines in Paragraph 2005:

**BASE INCOME.** The base income shall be the total income of a local church and all of its departments for the previous fiscal year less money received:

- (a) By loans (borrowed money).
- (b) From the sale, rental or lease of property.
- (c) From general or district church growth funds.
- (d) By a bequest through a will.

- (k) From money raised for district or denominationally approved church plants and sent to the church plant through the district or General Department of Church Multiplication.

A certificate of recognition shall be given to each pastor and local church, and that an asterisk be placed by the name of the minister and church paying 100% of the United Stewardship Fund in the "Church-Pastor Directory" in the District Journal, and that the amount of the United Stewardship be figured by the District Treasurer and his committee for each church from the past year's reports, and that the monthly assessment be printed in the *Conference Journal* for the coming year.

Within 30 days following conference, each pastor is encouraged to present to their church, from a positive perspective, the necessity of paying 100% of its budget for the year. The pastor and/or church that is delinquent in payment shall be responsible to send notification to the District office of said meeting and their response within forty-five days following conference. That response will be taken under advisement by the DBA.

1. All resolutions approved by the action of the Conference are to be edited by the Conference Journal Committee

2. Only pertinent items from the church statistical, church treasurer, and youth reports in tabulated form in the *Conference Journal* are to be printed. The duty is to be assigned to the Editing Committee of the *Conference Journal*.

Inasmuch as the *Conference Journal* has grown to be a sizable publication, we, therefore, recommend that the youth convention and the District Conference, use all means to eliminate all unnecessary items, duplications, and repetitions, placed in the Conference Journal.

## **N. EDUCATION AND SCHOLARSHIPS**

1. The Indiana South District may provide scholarships at an approved Wesleyan College or Seminary. "Said scholarships shall be made available first to students preparing for Christian Ministries and then other disciplines at the discretion of the District Clergy Development Committee and approved by the District Board of Administration."

"The student should give consideration to Christian service in the Indiana South District following graduation." The amount of the scholarship shall be determined by the District Clergy Development Committee under the direction of the District Board of Administration if funds are available.

Guidelines for Scholarship to Wesleyan College or approved Seminary or other schools will be considered as well, with our Wesleyan schools getting first consideration:

4. College Scholarship - \$30.00 per graduate hour for graduate studies, not to exceed \$350.00 per semester.
5. Must fill out an application for grant assistance and submit to the District Superintendent.

2. Whereas there is a growing need for the young people of The Wesleyan Church to pursue educational training beyond the secondary level, and whereas there is much in the state and secular colleges and universities that is detrimental to the religious and spiritual welfare of the youth of today, be it resolved that the Indiana South District give a stronger support in every way to the Wesleyan Institutions of Higher Learning and invite annually the representatives from Indiana Wesleyan University or other approved Wesleyan Schools.

3. In order to help our ministers of the district who are engaged in the Correspondence Course of Study, we recommend that we have a week each year to encourage them to study for ordination.

The pastors engaged in pre-ordination ministerial studies shall be given a paid leave of absence in order to attend the Clergy Development classes and their tuition shall be paid by their church if the funds are available.

Details of administering all district studies are to be worked out by the Clergy Development Committee.

## **P. LOCAL CHURCH**

1. Houses of worship should not be open to any evangelist or minister of any other denomination to hold a series of meetings or to maintain regular appointments for another congregation; provided, however, the usual denominational courtesies be extended to other ministers in occasional appointments. A waiver of the above by a contract or lease of building must be obtained through the District Board of Administration.

\* No uses for any activities related to practices contrary to Church religious beliefs or The Discipline of the Wesleyan Church. (i.e. “We believe that gambling violates the principle of Christian stewardship, ... can be emotionally addictive, ...and is a poor example to others” as noted on page 26 of the 2016 Discipline of The Wesleyan Church; “God’s plan for human sexuality is that it is to be expressed only in a monogamous lifelong relationship between one man and one woman within the framework of marriage” as noted on page 16.) Contact the church office as needed for additional information about the degree to which your event conforms to the guidelines of The Wesleyan Discipline.

**3.** We recommend that pastors or church secretaries of deceased members of our District Conference send to the Memoirs Committee a copy of the obituary of the deceased and any other information available.

**4.** Be it resolved that the time of closing of the Local and District business of the Church be April 30th of each year.

**5.** We recommend that the time of voting of each local church on the pastor be taken during the first full week of April. The vote is to be taken by the District Superintendent or his representative. Election results are to be posted at the local church and mailed or emailed to the District Superintendent's office.

**6. Recommendations Concerning Pastoral Support**

**a.** All churches should, in addition to the regular stipulated salary, assume the responsibility of providing a housing allowance or a suitable home in which the pastor may live including the payment of the following utilities: fuel, electricity, water, water conditioning, sewage and pastor’s phone.

They should also pay the pastor's medical, surgical and hospitalization insurance premium. Because of new government regulations as of January 1, 2014, churches will need to either eliminate employer payment plans for pastors and/or staff or modify such arrangements to reimburse employees for health coverage on an after-tax basis.

We recommend each church in Indiana South District to establish a medical fund of \$125.00 per month minimum to help pay for medical expenses not covered by insurance of any other funds. This money shall be placed in a separate account for the pastor and their family, and shall be paid in addition to insurance premiums paid by the church.

**b.** It is suggested that all benefits paid for the pastor be made to the vendor.

**c.** All churches to which a pastor shall move shall pay the moving and transportation expenses of said pastor, the same to be done in addition to their salary. When the District demands the services of anyone, it shall bear the moving expense, if any expense shall be incurred.

**d.** Each pastor shall be granted at least one week vacation with pay during the first year of service. Starting the second year, each pastor shall be granted a three week vacation with pay, and the pastor's salary shall be continued during Camp Meeting and while busy with other District duties. After 15 years of service to The Wesleyan Church one additional day of vacation shall be added for each year of service over 15 years up to a total of 5 weeks of vacation. It is further understood that the cost of pulpit supply, while the pastor is on vacation, shall be borne by the local church. The extra vacation time will be at the discretion and direction of the Local Church Board.

**e.** When local churches host a minister for the purpose of an interview, to meet them or hear them speak with the idea of a possible call to pastor, the local church shall be responsible for normal expenses incurred by the minister.

**f.** We recommend that each pastor be allowed the equivalent of two revivals per year with pay provided approval is given by the local church.

**g.** We recommend that the pastor's salary be at least \$550.00 per week, with the normal fringe benefits, for a full-time pastorate.

**h.** In as much as the Discipline and by-laws of the Wesleyan Church states that each church will pay 12% of the pastor's salary, utilities, and the fair rental value of parsonage into the pension plan. None of which will be deducted from the pastor's salary.

**i.** It is considered the norm for the local pastor family to provide board and room for the evangelist and/or special workers during revival and/or special services in the local church, and whereas such expense is part of the cost of having revivals and special services, be it resolved that we recommend that the pastoral family be reimbursed for the extra cost of feeding the Evangelists; the amount of which to be agreed on by the local board and the Pastor. In the event the Evangelist provides his own housing or commutes to the meeting, an amount paid to the Evangelist or the Pastor shall be agreed upon by the Pastor and the Local Board.

**j.** Ministers are now required to participate in Social Security, we recommend that the churches that are financially able, give special attention to this added expense of their pastor.

**k.** Inasmuch as many of our ministers have been unable to attend the annual Ministerial Retreat because of lack of finances, we recommend that each local church pay their pastor at least \$250.00 expense for Ministerial Retreat, plus pay the banquet registration fee.

**n.** We recommend that the Pastor Appreciation Day be during the month of October, as it is nationwide.

**o.** A pastor's widow shall receive a minimum of 60 days salary, and parsonage use, from the church, in the event of the death of the pastor. Any exception shall be approved by the District Superintendent.

**p.** Each church must give Pastor and Employees a W-2 and Sub-contractors a 1099 form for proof of income tax who receive \$600.00 or more after declared expenses.

**q.** When the church owns the parsonage, the pastor should pay Social Security Tax on the utilities that the church pays for the parsonage and the estimated rental value of the parsonage. The pastor is responsible for determining the fair rental value of the parsonage in keeping with I.R.S. regulations.

**8.** The Vice Chairman of the local church shall be responsible for bringing to the attention of the local church board various items approved by the District Conference dealing with pastoral support and other related matters sent him through the District Superintendent. Such correspondence shall be forwarded to the Vice Chairman as soon after the rise of the District Conference as possible.

## **9. Recommendations Concerning Revivals and Evangelist's Honorarium**

**a.** Since as the need of revival is great in our day we encourage the churches to have at least two revivals a year. We recommend our churches take special care to adequately pay the evangelists' expenses, plus an honorarium.

**b.** We recommend that the local church pay an amount equal to 12% of the Evangelist's offering if he is a Wesleyan Ordained Minister and a member of the Wesleyan Pension Plan. Pension payment should not be deducted from the evangelist's offering.

**c.** Any Evangelist or Special Worker who receives \$600.00 or more after declared expenses must be given a 1099 Form from the church treasurer for tax purposes.

**10.** Local churches are to request permission and obtain approval of the District Superintendent for employment of an evangelist or workers of another denomination for revivals or other meetings.  
(*Discipline* 1310: 24)

The same to be listed in the Minutes under Boards and Committees.

**12.** Where possible each local church shall conduct a summer Vacation Bible School.

**13.** Local churches are to make every effort to establish local Wesleyan Kids Clubs.

**14.** The addresses of churches and parsonages shall appear in our *Conference Journal*. We further recommend that the name and phone number of the pastor and church be listed in the phone book. We further recommend that names, addresses and phone numbers of local church officers: vice chairman, secretary, treasurer, WW president and youth president be listed in the Conference Journal. (Missionary and youth presidents may be carried in those respective sections of the Conference Journal.)

**15.** Each local church shall make every effort to establish a local chapter of the Senior Adult Ministries (SAM).

The Discipline (410:13) states, "The Wesleyan Church believes that our people should provide clear testimony to

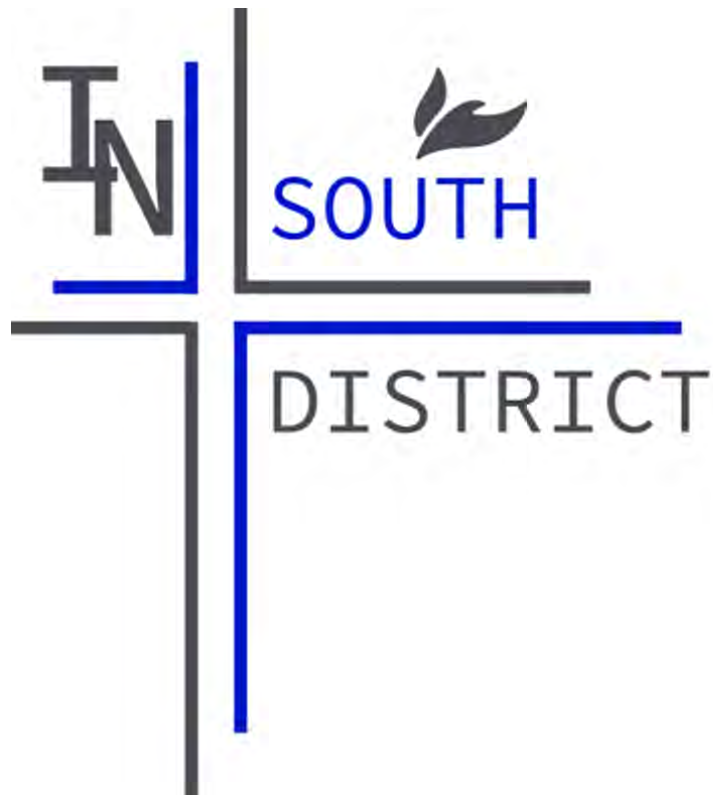

Christian purity and modesty by properly clothing the body and by dressing with Christian simplicity."

**REPORT #1**  
**District Superintendent - R. Douglas Preston**

What a privilege it has been to be your District Superintendent this past year. The many positive aspects of our district is due to God's favor. We want to give Him all the glory. I am blessed to have a great team around me.

My regional directors (Ray Austin, Wes Jones, and Chuck Morgan) have been awesome to work with. They have done an outstanding job and have been a breath of fresh air to me, the district, and their individual regions.

The **District Board of Administration** (DBA) is to be commended for their leadership through many tough decisions this year. There are also many others in various leadership roles that have also been instrumental in new and positive endeavors on the Indiana South District. Here are some examples:

- Regional Leaders sponsored “**Pastor Appreciation**” dinners in October.
- Pastors, their spouses, and staff were invited to our annual **Christmas Dinner** in December.
- **Cindy Caniff**, Indiana South District Administrator, has been invaluable to me and the leadership team. Her wealth of knowledge and her caring Christ-like approach to her role has been such a blessing.
- The **District Camp Board**, led by Wes Jones, continues to make many improvements to **Orleans Campground**.
- The Regional Leaders wives (Pam Austin, Teri Jones, Jill Morgan, and Sherri Preston) presented “**EmpowHER Women's Retreat**” in April for our female pastors & pastors' wives.
- The **District Board of Ministerial Development** [DBMD], led by Dan Willis, and the **Education Committee**, led by Bob England/Amber Cook, introduced **EQUIP** in May and will have more exciting additions to announce in the Fall.
- The **Church Multiplication and Discipleship** [CMAD], led by Derek Carpenter, is planting a new church in Greenfield in August 2023 under the leadership of Jason Leadingham.

At the beginning of the 2022-2023 church year, we introduced real-time **USF** giving. We reduced each church's USF giving from 11.5% to 11%. I want to personally thank each church for their faithful contribution to Indiana South District through USF giving. Because of that faithfulness, we ended this church year with a net-positive budget.

Knowing that God will continue to provide, the DBA is proposing that the coming year's USF be lowered to 10.5%. This will be voted on at this annual conference. We, as a leadership team, believe that we need to continue allowing the local church to use their funds for discipleship and outreach in their own communities.

Our District theme this year has been “**ONE MATTERS**”. This theme will continue into the 2023-2024 church year because it is such a vital truth!

I believe even greater days are ahead for our district if we continue keeping our eyes on Jesus.

In closing, I wish to thank my wife, Sherri, for all her help behind the scenes.

Doug Preston  
Indiana South District Superintendent

*May the words of my mouth and the meditation of my heart be acceptable to You, O Lord, my Rock and my Redeemer. Psalm 19:14*

## REPORT #2 KEEPERS OF THE VINEYARD

To the Fifty-fifth Annual Conference of the Indiana South District of The Wesleyan Church:  
In 1952, the first District Superintendent of Indiana South, Dr. Melvin Snyder started what was called the **Founders of the Vineyard**. This money was used to help buy the property and pay for the original buildings.

A few years ago, another former District Superintendent, Dr. O.W. Willis started another fund called **Keepers of the Vineyard**. The principle could never be spent; however, there is interest on a yearly basis as the money is invested in WIF. As of now, we have a total of \$102,204.13 in this account. **Praise God!** There has been a goal that we would get at least \$250,000.00 in this fund that would give continuing help for the ongoing of this beautiful campgrounds.

You can make gifts in memory of people or in honor of people for this fund. As you can see by the plaques on the southwest wall of the tabernacle, several have given to both of these funds for the ongoing of the Orleans Wesleyan Campgrounds. Gifts can be made in different amounts to the **Keepers of the Vineyard**.

Let me challenge you if you have not thought of giving money into this fund, now would be a good time to start. It can be a blessing for those that follow you, maybe your children, grandchildren, or even great-grandchildren.

Respectfully Submitted,

District Leadership

## Report #10 DISTRICT DIRECTOR OF CHURCH MULTIPLICATION

To the Fifty-Fifth Annual Conference of Indiana South District of The Wesleyan Church:

I had the privilege of leading the CMAD team this past year. It has been an honor to serve alongside some great leaders across the district. God has been hard at work. Jason and Brooke Leadingham have made their presence known in Greenfield. God has some great plans for them. The launch date for City Church in Greenfield is August 6<sup>th</sup>.

\* Multiple pastors in our district have been involved with the DRN cooperatives that meet two times a month. The lessons were taught by Steve McVey. These meetings are to encourage the pastors as well as a time of growth.

\* Multiple meetings have been held in person as well as on Zoom

The heart of the CMAD team is to be an encouragement and support to the pastors and churches of this great district.

Thank you to all who have served on this team over the past year. Thank you for your willingness to give of yourself. As we look back, I also look forward to what God is going to accomplish.

Pastor Chuck Morgan  
District Director of Church Multiplication

## **REPORT #11 DISTRICT DIRECTOR OF SENIOR ADULT MINISTRIES**

Another wonderful retreat was enjoyed this past September. The ministry and music of Rev. Larry & Tamla Leckrone was brought each evening Wednesday through Friday, Sept 7-9 as we sang, worshipped and had good fellowship together. Other activities of the retreat included prayer/devotional time, competitive games, a silent auction, late evening fun & skits and delicious meals. Thanks to the many who help in any way to make it such a tremendous time.

We'd like to recognize & give honor to Philo Jones for his many years of leadership to Indiana South SAM. It was his vision to have a retreat back in the 1900's and so it began and continues to be a highlight event at the campgrounds. Thanks for your leadership and the work you put into this ministry to make it what it is today.

We will continue our yearly gathering this coming September 6-8 with Dr. Ted Lee, retired VP of Olivet Nazarene University & former DS of the Indianapolis District of the Nazarene Church, being our guest speaker. We invite anyone 55 & older to join us & promise a great time (or your money back!) We encourage you to get a group together from your church & plan on a fun & encouraging time together.

With a grateful heart,  
Wes Jones  
SAM Director

### **REPORT #13 DISTRICT INSURANCE ADMINISTRATOR**

To the District Conference,

Over the past year I have worked to make sure that the district and its properties are maintaining proper insurance. Some churches struggle in this area and are either under-insured or not insured at all. It generally cost nothing to have an insurance agency come to your property and have it evaluated. Each church needs proper insurance in case of an insurance needs event.

Crossing our fingers and praying for safety is not a good strategy. If the church is not insured or under-insured... then you and your church is vulnerable to being closed because of unaffordable replacement cost. Each church should also be carrying workers comp insurance for all paid staff, whether they are full or part time employees.

There are currently three main insurance companies that Indiana South churches mainly use. Guide One, which comes highly recommended from this district leader... and Minnite Mutual and Brotherhood are two other highly qualified and supportive insurers of churches. Insurance is expensive and having the bare minimum is a temptation. But one area churches should not try to skimp and save on...is a high quality insurance from a successful church insurance company.

If anyone has questions concerning your church's insurance... please give me a call (812-350-4435) or send me an email (flintwoodoffice@gmail.com).

Respectfully submitted,  
Rev. Wesley Jones

## REPORT #15 DISTRICT DIRECTOR OF GLOBAL PARTNERS

To the fifty-fifth annual conference of the Indiana South District of the Wesleyan Church:  
What a privilege it is to be a part of a district that values missions. Our district is a missions focused district that gives sacrificially around the world for the continuation of the Gospel of Jesus Christ to the world. Thank you to each church that faithfully continues to support individual missionary families on the field. We as a district faithfully support many missionaries around the world including those from our own district.

They cannot fulfill the Great commission without our continued monthly support. If you don't have a missionary family to support monthly. Let me know so that we can get your church connected with one.

We look forward to partnering with Global Partners as they endeavor to reach the world with our prayers and support.

Reaching the World for Christ,  
Rev. Aaron Marshall  
District Director Global Partners

**REPORT #17  
DIRECTOR OF KID’S BIBLE CAMP**

To the Annual Conference of Indiana South District of the Wesleyan Church.

Our theme this past summer was “Survivor,” *1 John 5:5 –Who is it that overcometh the world? Only he who believes that Jesus is the Son of God.* It was a wonderful experience to see the campers and staff worshipping God. His presence was certainly felt. The speaker was supposed to be Tom Evans, but he fell ill right before camp started. Praise God we had dedicated speakers to fill in for him each night to bring the gospel. Several campers grew closer to God through this camp experience.

The staff and volunteers must be given recognition for the sacrifices they made for this ministry. Tori Abney and her praise team gave their best for God. Classes were held by the following staff: Chantel Deaton (Modern Day Survivors), Nathan Muncie (Biblical Survivors), Dee Dee Taylor (Survivor Crafts), and Ben Harper with activities. The nurse was Susan Smith. Connie Linville headed up the kitchen staff. Phil Hatton headed up the dining hall. The Jones family headed up the snack bar. There were approximately fifty helpers and each one deserves recognition for helping with KBC. If you helped in any way during KBC, you deserve the greatest of thanks!!

For this summer, we have been preparing for KBC with the theme, “Born Identity” (2 Corinthians 5:17 – Therefore, if anyone is in Christ, he is a new creation: the old has gone, the new has come!). It is truly an honor and a blessing to invest in our kids at KBC. Thank you for this opportunity!

Faithfully serving our District children,  
Mike Linville II

**REPORT #1**  
**District Youth President**

Revolution '23 was a great camp! We had 181 students attend and 27 transformations. We continued to have the Made New cards for the ones who made a commitment to God, recommitted, or received a call to ministry. A big thank you to Jacob Gibson from Life Springs Church North, for being our camp speaker. We added something new and had a color relay which was a major success.

This camp would not be done without all the ones who give of their time and energy. Thank you to all who volunteered, worked, and prayed for this camp! Being an adult who attended this camp can tell you it makes a difference. What you do matters!

I am so thankful for the privilege to serve, grow, and build the Kingdom of God with all of you. Please keep us in your prayers as we are planning for the upcoming camp. We are excited to see what God is planning.

His Servant,  
Joey Fulton,  
District Youth President
